"Learning SPARQL" teaches you how to use SPARQL 1.1 by starting you off with simple queries that demonstrate the language's query-by-example approach and then taking you through all the key features of the SPARQL 1.1 query and update languages.

Learning SPARQL
Gain hands-on experience with SPARQL, the RDF query language that's bringing new possibilities to semantic web, linked data, and big data projects. This updated and expanded edition shows you how to use SPARQL 1.1 with a variety of tools to retrieve, manipulate, and federate data from the public web as well as from private sources.

Learning SPARQL by Bob DuCharme, Paperback | Barnes & Noble®
Learn what you need to know to add to, update, and delete data in RDF datasets, and give web applications access to this data. Understand SPARQL's connection with RDF, the semantic web, and related specifications. Query and combine data from local and remote sources. Copy, convert, and create new RDF data.

Learning SPARQL [Book] - O'Reilly Online Learning
Gain hands-on experience with SPARQL, the RDF query language that's bringing new possibilities to semantic web, linked data, and big data projects. This updated and expanded edition shows you how to use SPARQL 1.1 with a variety of tools to retrieve, manipulate, and federate data from the public web as well as from private sources.

Learning SPARQL: Querying and Updating with SPARQL 1.1 ...
Gain hands-on experience with SPARQL, the RDF query language that's bringing new possibilities to semantic web, linked data, and big data projects. This updated and expanded edition shows you how to use SPARQL 1.1 with a variety of tools to retrieve, manipulate, and federate data from the public web as well as from private sources.

Learning SPARQL, 2nd Edition [Book] - O'Reilly Media
Introduction. Stardog Knowledge Graph supports the SPARQL query language, a W3C standard for querying RDF graphs. In the RDF Graph Data Model tutorial we looked at the details of RDF graphs and in this tutorial we will learn how to query them.. Setup. We will use the music dataset in this tutorial and see many features of SPARQL with examples.
