It's an exciting day for Little Puppy - he's going on a visit to his Grandpa, there's so much to look for and listen to along the way! As he travels through the countryside, the city, and by the sea, Little Puppy hears a car beeping, a bird cheeping, and many other familiar sounds in this noisy board book. Toddlers will have fun with Little Puppy on his journey, and will love pressing the ten sound buttons to listen to all the noises that he hears until he arrives at his Grandpa's house.

Little Owl discovers where other animals live while flying in the forest, past a mountain, over a river, and through the snowy kingdom.

There are just five more sleeps until Christmas! Baby Penguin and the Little Friends are getting ready for the most exciting day of the year. As the Little Friends count down the days, they decorate the tree, write letters to Santa, go carol singing, and play in the snow. Each festive scene is full of things for young readers to look for, with Christmas surprises hiding underneath the fun lift-the-flaps. Interactive board book for adults and children to share as Christmas draws near, which encourages imagination and also helps develop hand-

eye coordination.

The second novel by Donna Tartt, bestselling author of *The Goldfinch* (winner of the 2014 Pulitzer Prize), *The Little Friend* is a grandly ambitious and utterly riveting novel of childhood, innocence and evil. The setting is Alexandria, Mississippi, where one Mother's Day a little boy named Robin Cleve Dufresnes was found hanging from a tree in his parents' yard. Twelve years later Robin's murder is still unsolved and his family remains devastated. So it is that Robin's sister Harriet—unnervingly bright, insufferably determined, and unduly influenced by the fiction of Kipling and Robert Louis Stevenson—sets out to unmask his killer. Aided only by her worshipful friend Hely, Harriet crosses her town's rigid lines of race and caste and burrows deep into her family's history of loss. Filled with hairpin turns of plot and “a bustling, ridiculous humanity worthy of Dickens” (*The New York Times Book Review*), *The Little Friend* is a work of myriad enchantments by a writer of prodigious talent.

What a mess! Brand new homes, empty rooms: Now what? It's pre-school readers to the rescue as they get to arrange—and re-arrange—all the furniture and accessories in every house on the street. Fifty magnetic pieces to place on magnetized pages—from bathroom rugs to the kitchen

sink--that will unleash the inner interior decorator in every four-and five-year-old, whether they're restless in the backseat of the car, bored on a jet plane flight, or simply playing on the living room floor.

One, two, three, four, five...learning to count to ten is fun with the Little Friends in this noisy board book. Each Little Friend has favorite things to share, and a new number to learn, too! By matching the right button on the sound bar to the right number, then pressing and listening to it over and over again, children will quickly and easily learn their first numbers and how to count, developing their speech and building their vocabulary along the way.

A classic Kipper story about baby animals. Now in a chunky board book, perfect for little hands to hold. Kipper and Arthur are talking about baby animals. A baby owl must be an owlet, so a baby frog is a froglet and a baby hedgehog can only be a hoglet... But what is a baby dog called? Do you know? Little ones will love joining in with this charming tale about animals and growing up. Kipper has been a much-loved picture book character for over 25 years. 'The charmingly comical Inkpen, as always, hits the spot.' Guardian 'You simply cannot fail to win smiles with a new book about Kipper.' Daily Mail
