Testigos olvidados recoge los testimonios de 21 reporteros que cubrieron los procesos de paz desarrollados entre 1982 y 2016. Comienza con un breve contexto sobre el origen de la guerra en Colombia desde 1948 hasta el inicio del gobierno de Belisario Betancur, primer Presidente de la era reciente en intentar un proceso de paz con los grupos insurgentes. Después de esto, cada gobierno presidencial cuenta con un contexto en materia de paz para que el lector se ubique cronológicamente en los hechos. Seguido al contexto de cada gobierno se abren paso los testimonios que no pretenden explicar al lector la manera correcta de cubrir unas negociaciones, sino que, simplemente, presentan unas experiencias y construyenn memoria sobre algunos de los aspectos menos documentados en la historia de Colombia. De igual manera, este texto no busca dilucidar una verdad única alrededor del cubrimiento periodístico de los procesos de paz, sino que presenta los testimonios, anécdotas y experiencias de los reporteros que, trabajando para un medio de comunicación, siguieron el paso a paso de las negociaciones de paz entre el gobierno colombiano y las guerrillas.

This book explores the fluid boundaries between realism and romanticism, while considering this oscillation between discourses as the legacy of the Quijote to the nineteenth-century Spanish novel. Furthermore, there are studies of characters who act as authors in Benito Perez Galdos's first series of Episodios Nacionales, Pio Baroja's La lucha por la vida, and Leopoldo Alas (Clarín)'s La Regenta. For many realists, romanticism has negative associations: quixotism, exaggeration, impracticality, and femininity or effeminacy.

Elegy for Joseph Cornell is at once a monologue; a collection of metafictional microfictions; a series of prose poems; an artist's quest; the hero's journey; a filmography, biography, bibliography, and inventory; a travel scrapbook; and a guidebook for creativity. Argentinian writer María Negroni transcends form and genre as she explores, with both luminous and illuminating results, the life of Joseph Cornell, a solitary urban artist whose work also defied conventional classification.

1996 Minnesota Book Award winner — A Native American book The heart of the Native American experience: In this 1996 Minnesota Book Award winner, Kent Nerburn draws the reader deep into the world of an Indian elder known only as Dan. It ' s a world of Indian towns, white roadside cafes, and abandoned roads that swirl with the memories of the Ghost Dance and Sitting Bull. Readers meet vivid characters like Jumbo, a 400-pound mechanic, and Annie, an 80-year-old Lakota woman living in a log cabin. Threading through the book is the story of two men struggling to find a common voice. Neither Wolf nor Dog takes readers to the heart of the Native American experience. As the story unfolds, Dan speaks eloquently on the difference between land and property, the power of silence, and the selling of sacred ceremonies. This editon features a new introduction by the author, Kent Nerburn. " This is a sobering, humbling, cleansing, loving book, one that every American should read. " — Yoga Journal If you enjoyed Empire of the Summer Moon, Heart Berries, or You Don ' t Have to Say You Love Me, you ' ll love owning and reading Neither Wolf nor Dog by Kent Nerburn.
