Lovely Wild ☐ Customer reviews ... I LOVED this book. I am a huge Megan Hart fan though. This book wasn't the typical erotic/drama Hart is used to writing. This story had more depth than i imaged, just when I thought I had the book figured out Hart would completely shock me with something else. This is a book you won't want to put down.

When she was in third grade, Megan Hart fell in love for the first time. Not with a boy (that would wait until fourth grade), but with a story. Homecoming by Ray Bradbury leaped out at her from the pages of a library book, and she tumbled head over heels.
