The first book-length biography of a theater icon South Pacific. The Sound of Music. Peter Pan. As the star of these classic Broadway musicals, Mary Martin captivated theater audiences with her impish persona and magnificent voice. Now Ronald L. Davis fills a major gap in theater history, moving beyond Martin 's own 1976 memoir to provide a complete picture of her life and career. Lively and engaging, Davis 's biography is the first book-length portrait of the theater icon, spanning her lifetime to reveal facts about her childhood, marriages, and friendships—as well as artistic collaborations that included the likes of Rodgers and Hammerstein, Cole Porter, and Elia Kazan. Born in Weatherford, Texas, and mother to the future actor Larry Hagman, Martin went to California after the failure of her first marriage. There, she auditioned for every studio without success. “ Audition Mary ” finally had her big break when she won a talent contest, leading to her breakthrough 1938 performance in Leave It to Me—in which she wowed audiences singing “ My Heart Belongs to Daddy. ” Davis traces Martin 's numerous appearances on Broadway, in touring productions, and on television, showing how—through hard work and persistent optimism—she built a career that lasted nearly fifty years and earned her the adoration and respect of fans and colleagues alike. Because Martin 's life was entwined with many luminaries of the stage, this biography offers rich insights into theater history, including accounts of how various productions were developed. No other book tells her story in such detail—it is must reading for fans and an essential resource for theater aficionados everywhere.

A fascinating new biography of Mary Martin, the girl whose heart belonged to daddy, Rodgers and Hammerstein, Janet Gaynor and Peter Pan.

Originally published: New York: Dutton, 1989.

The former star of I Dream of Genie and Dallas tells all in this behind-the-scenes look at a major television star, from his childhood as the son of legendary stage and screen star Mary Martin to his troubles with drugs and alcohol.

Considered a masterpiece since its first appearance on stage in 1904, Peter Pan is JM Barrie 's most famous work and arguably the greatest of all children 's stories. Humorous, satiric, filled with suspenseful cliff-hangers and bittersweet truths, Peter Pan works an indisputable magic on readers of all ages, making it a true classic of imaginative literature. Ever since Peter Pan flew in through Wendy Darling's nursery window and took her off to Never

Land, Barrie's classic adventure story has thrilled and delighted generations of theatre-goers.

Tony and Olivier Award – winning Bob Avian 's dazzling life story, *Dancing Man: A Broadway Choreographer 's Journey*, is a memoir in three acts. Act I reveals the origins of one of Broadway 's legendary choreographers who appeared onstage with stars like Barbra Streisand and Mary Martin all before he was thirty. Act II includes teaching Katharine Hepburn how to sing and dance in *Coco* and working with Stephen Sondheim and Michael Bennett while helping to choreograph the original productions of *Company* and *Follies*. During this time, Avian won a Tony Award as the choreographer of *A Chorus Line* and produced the spectacular Tony Award – winning *Dreamgirls*. For a triumphant third act, Avian choreographed Julie Andrews 's return to the New York stage, devised all of the musical staging for *Miss Saigon* and *Sunset Boulevard*, and directed *A Chorus Line* on Broadway. He worked with the biggest names on Broadway, including Andrew Lloyd Webber, Carol Burnett, Jennifer Holliday, Patti LuPone, Elaine Stritch, and Glenn Close. Candid, witty, sometimes shocking, and always entertaining, here at last is the ultimate up-close and personal insider 's view from a front row seat at the creation of the biggest, brightest, and best Broadway musicals of the past fifty years.

Almost two decades after his death, John Wayne is still America 's favorite movie star. More than an actor, Wayne is a cultural icon whose stature seems to grow with the passage of time. In this illuminating biography, Ronald L. Davis focuses on Wayne 's human side, portraying a complex personality defined by frailty and insecurity as well as by courage and strength. Davis traces Wayne 's story from its beginnings in Winterset, Iowa, to his death in 1979. This is not a story of instant fame: only after a decade in budget westerns did Wayne receive serious consideration, for his performance in John Ford 's 1939 film *Stagecoach*. From that point on, his skills and popularity grew as he appeared in such classics as *Fort Apache*, *Red River*, *She Wore a Yellow Ribbon*, *The Quiet Man*, *The Searchers*, *The Man who Shot Liberty Valance*, and *True Grit*. A man 's ideal more than a woman 's, Wayne earned his popularity without becoming either a great actor or a sex symbol. In all his films, whatever the character, John Wayne portrayed John Wayne, a persona he created for himself: the tough, gritty loner whose mission was to uphold the frontier 's--and the nation 's--traditional values. To depict the different facets of Wayne 's life and career, Davis draws on a range of primary and secondary sources, most notably exclusive interviews with the people who knew Wayne well, including the actor 's costar Maureen O ' Hara and his widow, Pilar Wayne. The result is a well-balanced, highly engaging portrait of a man whose private identity was eventually overshadowed by his screen persona--until he came to represent America itself.

Actress and model Cynthia O'Neal was living her dream life—married to the famous stage and screen actor Patrick O ' Neal, the mother of two young sons, resident of the Dakota downstairs from John Lennon, owner of the successful *Ginger Man* restaurant, and frequent guest at dinner parties with Leonard Bernstein and Rudolf Nureyev. And then she changed course suddenly, surprisingly, and completely. The AIDS epidemic hit the arts community hard, and after seeing the multitude of people facing an unfamiliar and stigmatized disease completely alone, Cynthia walked into the fray. With the support of longtime friend Mike Nichols, she founded *Friends in Deed* and soon found herself spending her days in hospitals, cramped rooms, and dirty apartments, anywhere a patient needed a hug, a hand held, or confidence boosted. And when Patrick became ill and passed away in 1994, Cynthia had to work through her own grief instead of someone else 's and found her life transformed again. *Talk Softly* is the story of a life well-lived—with passion and compassion, in celebration of the joy of each moment, and with the ability to surprise yourself when you least expect to.

"Eager beaver producer Martin Klemmer, a wheeler dealer if ever there was one, has uncovered a terrific commercial script--'Star Wars: The Play'. Since he has produced only one Off Broadway project, something called 'Craps!', Martin's calls are not being returned by the powerful Broadway magnates capable of getting this play to the Great White Way. Martin needs names, names like film legends Sylvia Glenn and Leatrice Mons é e, for the leads. If Martin can sign them he can get the money. Unfortunately, they hate each other. Will Martin be able to resolve this titanic dilemma? Will 'Star Wars: The Play' hit the big time? And, if Sylvia and Leatrice do agree to appear together, will Paul Newman sign on, too?"--Amazon.com.
