This volume uniquely looks into the practice of medical care in the medieval world, particularly amongst the Jewish communities of Egypt. It examines the medicinal prescriptions, lists of materia medica and letters between physicians, pharmacists and patients found in the Cairo Genizah. Most histories of medieval medicine of the eastern Mediterranean are based upon theoretical Arabic writings.

TCM is said to be based on Compendium of Materia Medica and Huangdi Neijing.The practice includes various forms of herbal medicine, acupuncture, cupping therapy, gua sha, massage (tui na), bonesetter (die-da), exercise (qigong), and dietary therapy. TCM is widely used in the Sinosphere, where it has a long history; subsequently it is now also practiced outside of China.

Traditional Chinese medicine - Wikipedia
The History of Traditional Eastern Herbal Medicine. Traditional eastern herbal medicine is one of the oldest forms of medical theories in the world. Based on ancient Taoist philosophy, which views the body and mind as a unified entity, eastern medicine emphasizes a holistic approach that treats the whole person, not just the disease. Millions of people have used the tools of eastern herbal medicine over the past 5,000 years to maintain optimum health and treat physical, psychological and ...
