If you're planning to apply for an MBA program, you're required to take the Graduate Management Admission Test (GMAT). And you thought your days of sharpening number 2 pencils were over! How do you prepare for such a comprehensive test? Never fear. GMAT For Dummies, Fifth Edition, puts at your fingertips everything you need to know to conquer the GMAT. This highly readable, friendly guide makes the study process as painless as possible, providing you with complete math and grammar reviews and all the preparation you need to maximize your score and outsmart your competition. You'll discover how to: Understand the test's format Bring the right stuff Make educated guesses Avoid the exam's pitfalls Calm your nerves Save time and beat the clock This Fifth Edition is packed with plenty of updated practice questions so you can see just how the GMAT tests a particular concept. Our sample questions read just like the actual test questions, so you can get comfortable with the way the GMAT phrases questions and answer choices. You get plenty of tips on correctly answering the sentence correction, reading comprehension, and critical reading questions and tackling the analytical essays. There's also a comprehensive math review of everything from number types to standard deviation and expanded coverage of statistics and probability. Each section ends with a mini practice test to prepare you for the two full-length practice tests featured in this easy-to-digest guide. You'll see how to: Quickly eliminate incorrect answer choices Read passages quickly and effectively Break apart and analyze arguments Write a well-organized, compelling essay Tackle the data sufficiency math question type that only appears on the GMAT Use relaxation techniques if you start to panic during the test Complete with a scoring guide, explanatory answers, timesaving tips, math formulas you should memorize, and a list of writing errors to avoid, GMAT For Dummies is all you need to practice your skills, improve your score, and pass with flying colors.

Management teaches you how people behave in the Organisation and nature of power, influence and leadership. Whether you aim to be a self-employed, an entrepreneur, head of your own country etc, management give you tools for success. Students mostly prefer MAT for Management Programs when it comes to priority.
