The prophecy brought them together. But the Wolf has risen, and now their greatest battle begins. The four members of Warriors Riding have learned to wage war in the supernatural, to send their spirits inside people's souls, to battle demonic forces, and to bring deep healing to those around them. But their leader Reece is struggling with the loss of his sight. Brandon is being stalked at his concerts by a man in the shadows. Dana's career is threatening to bury her. And Marcus questions his sanity as he seems to be slipping in and out of alternate realities. And now the second part of the prophecy has come true. The Wolf is hunting them and has set his trap. He circles, feeding on his supernatural hate of all they stand for. And he won't stop until he brings utter destruction to their bodies . . . and their souls. ". . .this is a seriously heart-thumping and satisfying read that goes to the edge, jumps off, and 'builds wings on the way down.'"—Publishers Weekly review of Soul's Gate

"Every now and then we get a break from reality. A glimpse into the other world that is more real than the reality we live in 99 percent of our days. The Bible is about a world of demons and angels and great evil and even greater glory." What if you could travel inside another person's soul? To battle for them. To be part of Jesus healing their deepest wounds. To help set them free to step boldly into their divinely designed future. Thirty years ago that's exactly what Reece Roth did. Until tragedy shattered his life and ripped away his future. Now God has drawn Reece out of the shadows to fulfill a prophecy spoken over him three decades ago. A prophecy about four warriors with the potential to change the world . . . if Reece will face his deepest regret and teach them what he has learned. They gather at a secluded and mysterious ranch deep in the mountains of Colorado, where they will learn to see the spiritual world around them with stunning clarity—and how to step into the supernatural. Their training is only the beginning. The four have a destiny to pursue a freedom even Reece doesn't fully fathom. But they have an enemy hell-bent on destroying them and he'll stop at nothing to keep them from their quest for true freedom and the coming battle of souls. "Readers with high blood pressure or heart conditions be warned: this is a seriously heart-thumping and satisfying read that goes to the edge, jumps off, and 'builds wings on the way down.'" —Publishers Weekly

A young video producer suffering from memory loss sets off in search of God's book of days--described in Psalm 139--that has recorded the past, present and future of every soul on earth. Original.

The Wheel of Time ® is a PBS Great American Read Selection! Now in development for TV! Since 1990, when Robert Jordan's The Wheel of Time® burst on the world with its first book, The Eye of the World, readers have been anticipating the final scenes of this extraordinary saga, which has sold over forty million copies in over thirty languages. A Memory of Light is the fantastic conclusion to the internationally-bestselling epic fantasy juggernaut. The Wheel of Time turns and Ages come and go, leaving memories that become legend. Legend fades to myth, and even myth is long forgotten when the Age that gave it birth returns again. In the Third Age, an Age of Prophecy, the World and Time themselves hang in the balance. What was, what will be, and what is, may yet fall under the Shadow. When Robert Jordan died in 2007, all feared that these concluding scenes would never be written. But working from notes and partials left by Jordan, established fantasy writer Brandon Sanderson stepped in to complete the masterwork. With The Gathering Storm (Book 12) and Towers of Midnight (Book 13) behind him, both of which were # 1 New York Times hardcover bestsellers, Sanderson now re-creates the vision that Robert Jordan left behind in A Memory of Light. Edited by Jordan's widow, who edited all of Jordan's books, A Memory of Light will delight, enthrall, and deeply satisfy all of Jordan's legions of readers. The Wheel of Time turns, and Ages come and pass. What was, what will be, and what is, may yet fall under the Shadow. Let the Dragon ride again on the winds of time. TV series update: "Sony will produce along with Red Eagle Entertainment and Radar Pictures. Rafe Judkins is attached to write and executive produce. Judkins previously worked on shows such as ABC's "Agents of SHIELD," the Netflix series "Hemlock Grove," and the NBC series "Chuck." Red Eagle partners Rick Selvage and Larry Mondragon will executive produce along with

What if you had just learned that your days are about to come to an end? Would you quietly accept your destiny, or would you fight this one final battle? And what if the demons of your past disturb the delicate reconciliation you thought you had found? These are the questions facing John Kadel in "If only I could..." a simple story about love. This is not a romance. It is a tale of the true and lasting love each of us dreams about, the undeniable love only some of us find in a lifetime of searching. John Kadel is a stubborn, single old man with a colorful past and questions for which he has no answers. Not long after his doctor hands him a death sentence, John runs into someone from his past.

The story that you have asked me to tell you does not begin with the pitiful ugliness of Lloyd's death. It begins on a long-ago day in August when the sun seared my blistered face and I was nine years old and my father and mother sold me to a strange man. Memory, the narrator of Petina Gappah's *The Book of Memory*, is an albino woman languishing in Chikurubi Maximum Security Prison in Harare, Zimbabwe, after being sentenced for murder. As part of her appeal, her lawyer insists that she write down what happened as she remembers it. The death penalty is a mandatory sentence for murder, and Memory is, both literally and metaphorically, writing for her life. As her story unfolds, Memory reveals that she has been tried and convicted for the murder of Lloyd Hendricks, her adopted father. But who was Lloyd Hendricks? Why does Memory feel no remorse for his death? And did everything happen exactly as she remembers? Moving between the townships of the poor and the suburbs of the rich, and between past and present, the 2009 Guardian First Book Award-winning writer Petina Gappah weaves a compelling tale of love, obsession, the relentlessness of fate, and the treachery of memory.

In this fresh take on the classic *Dr. Jekyll and Mr. Hyde*, James L. Rubart explores the war between good and evil within each of us—and one man's only chance to overcome the greatest divide of the soul. What if you woke up one morning and the darkest parts of yourself were gone? Torren Daniels vanished eight months back, and his wife and kids have moved on—with more than a little relief. Toren was a good man but carried a raging temper that often exploded without warning. So when he shows up on their doorstep out of the blue, they're shocked to see him alive. But more shocked to see he's changed. Radically. His anger is gone. He's oddly patient. Kind. Fun. The man he always wanted to be. Toren has no clue where he's been but he knows he's been utterly transformed. He focuses on three things: Finding out where he's been. Finding out how it happened. And winning back his family. But as the months go on, his memory slowly returns. And the more the memories come, the more Torren slips back into being the man he was before. How can he hang on to the new man he's become? And who is he really? The man he was . . . or the man he is? Praise for *The Man He Never Was*: "With plenty of twists and turns to keep the pages turning, *The Man He Never Was* expertly explores the difference between knowing and experiencing, and asks the important question: What might happen if we could see the person in the mirror as God does?" —Katie Ganshert, award-winning author of *Life After* "This is no mere novel, but a journey to the soul. Sage, deep filled with a truth of terrible beauty and the real nature of love." —Tosca Lee, *New York Times* bestselling author "In *The Man He Never Was*, James L. Rubart perplexes readers in the best possible way, wooing us through the mystery of a man's lost memory and the high stakes of his broken marriage, failed career, and an unbridled anger problem. A page-turning exploration of what it means to live truly loved." —Mary DeMuth, author of *The Muir House*

Now a Major Motion Picture from Director Luca Guadagnino, Starring Armie Hammer and Timothée Chalamet, and Written by Three-Time Oscar™ Nominee James Ivory *The Basis* of the Oscar-Winning Best Adapted Screenplay A *New York Times* Bestseller A USA Today Bestseller A Los Angeles Times Bestseller A Vulture Book Club Pick An Instant Classic and One of the Great Love Stories of Our Time Andre Aciman's *Call Me by Your Name* is the story of a sudden and powerful romance that blossoms between an adolescent boy and a summer guest at his parents' cliffside mansion on the Italian Riviera. Each is unprepared for the consequences of their attraction, when, during the restless summer weeks, unrelenting currents of obsession, fascination, and desire intensify their passion and test the charged ground between them. Recklessly, the two verge toward the one thing both fear they may never truly find again: total intimacy. It is an instant classic and one of the great love stories of our time. Winner of the Lambda Literary Award for Fiction A *New York Times* Notable Book of the Year • A Publishers Weekly and The Washington Post Best Book of the Year • A *New York Magazine* "Future Canon" Selection • A Chicago Tribune and Seattle Times (Michael Upchurch's) Favorite Favorite Book of the Year

Micah Taylor, a young software tycoon inherits a coastal Oregon home that is really a physical manifestation of his soul being used by God to heal the man's greatest wounds. Original.

The warriors riding have battled in astounding supernatural realms. Set captives free. And awakened thousands of hearts. But now their only chance of survival depends on calling forth the spirit bridge. Reece, Dana, Brandon, and Marcus have achieved staggering success in spiritual realms . . . but each is reeling from recent vicious attacks. They need rest. A break from the war. But the warlord Zennon is raging and will give them no quarter. The demon holds what he believes is a trump card—a hidden strategy set in motion before the Warriors Riding even began—that will detonate the team from the inside out. And he's just set it loose. The street-magician Simon—finally free of Zennon's alternate-reality prison—is racing to remember his past before his ignorance obliterates his destiny. Then there's Miyo, a brash young warrior with advanced knowledge of spiritual realities and supernatural armor even Reece doesn't know about. They will be pivotal in the final war against the Warriors Riding. If only the Warriors knew which side Simon and Miyo are truly on. *Spirit Bridge* is the epic conclusion to acclaimed author James L. Rubart's *Well Spring* series, which will propel each of the Warriors Riding on a quest of true identity, ultimate freedom, and a final battle that will leave them changed forever. ". . . [an] amazing tale of angels, demons, and what it truly means to be connected to God's plans for the future." —RT Book Reviews for *Memory's Door* Includes Reading Group Guide
