For all Intermediate Microeconomics courses at the undergraduate or graduate level. Microeconomics has become a market leader because Perloff presents theory in the context of real, data-driven examples, and then develops intuition through his hallmark Solved Problems. Students gain a practical perspective, seeing how models connect to real-world decisions being made in today's firms and policy debates. The Seventh Edition is substantially updated and modified based on the extremely helpful suggestions of faculty and students who used the first six editions. Every chapter is thoroughly revised and
