The Technical and Vocational Education and Training (TVET) college environment is marked by increasingly stark juxtapositions between what needs to be achieved in the post-school education sector and the increasing difficulty of current conditions. The "triple challenge" of poverty, inequality and unemployment

weighs heavily on the social, political and economic fabric of the country and expectations are high that the TVET colleges can make a pivotal contribution to counter these challenges. Despite laudable increases in TVET enrolment, the education system needs to work harder to accommodate the weight of demand for
