Without passing this test, you can't represent NFL players. And you can only take the test twice, so you have to be serious in your preparation. The exam consists of 60 multiple choice questions covering: The Collective Bargaining Agreement; Salary Cap; Player Benefits; NFLPA Regulations Governing Contract Advisors

Preparing for the Football Agent Certification Test

The exam is designed to only pass those applicants whom the NFLPA deems to have a "minimum competency" over issues covering the NFL and its players. One final note that the NFLPA failed to tell me: if you have trouble dropping \$1,650+ on certification, the economic commitment does not stop there.

Studying For The NFLPA Certification Exam—SPORTS AGENT BLOG

Maybe that makes the test one question easier for everyone. Apparently the NFLPA has found a new way to grade the exams, as they told everyone to expect results within about two weeks, instead of 6-8 weeks. That's good news as long as the players association continues to curve the results. I don't have any reason to think they won't have one.

The NFL and the NFLPA agreed to set a floor of \$175 million per team for next year's cap, meaning it can't go below that. But teams are budgeting for that number, which is a nearly 12% drop from ...

This book is designed to better prepare athletes and their families to intelligently question, choose, and work with an agent and/or prospective advisors.

Employment relations, much discussed in other industries, has often been neglected in professional sports despite its unique characteristics. The book aims to explore in detail the unique nature of the employment relationship in professional sports and the sport industry.

Sports Law looks at major court cases, statutes, and regulations that explore a variety of legal issues in the sports industry. The early chapters provide an overview of sports law in general terms and explore its impact on race, politics, religion, and everyday affairs. Later chapters address hot button issues such as gender equity, drug testing, and discrimination. Written from a sport management perspective, rather than from a lawyer s, this text covers all the major areas presented in sports law today including: cases relating to torts, contracts, intellectual property, and agents. Factual scenarios throughout the text allow students to critically examine and apply sport management principles to legal issues facing the sports executive. Important Notice: The digital edition of this book is missing some of the images or content found in the physical edition."

Successful sports agents are comfortable with high finance and intense competition for the right to represent talented players, and the most respected agents are those who can deal with the pressures of high-stakes negotiations in an honest fashion. But whereas rules and penalties govern the playing field, there are far fewer restrictions on agents. In *The Business of Sports Agents*, Kenneth L. Shropshire, Timothy Davis, and N.

Jeremi Duru, experts in the fields of sports business and law, examine the history of the sports agent business and the rules and laws developed to regulate the profession. They also consider recommendations for reform, including uniform laws that would apply to all agents, redefining amateurism in college sports, and stiffening requirements for licensing agents. This revised and expanded third edition brings the volume up to date on recent changes in the industry, including: —the emergence and dominance of companies such as Creative Artists Agency and Wasserman Media Group —high-profile cases of agent misconduct, principally Josh Luchs, whose agent certification was revoked by the NFLPA —legal challenges against the NCAA that may fundamentally change the definition of amateurism —changes to agent regulations resulting from new collective bargaining agreements in all of the major professional sports —evaluation of the effectiveness of the Uniform Athlete Agents Act (2000) to regulate agent conduct —issues faced by the increasing number of agents representing athletes who work abroad as well as athletes from abroad who work in the United States. Whether aspiring sports agent, lawyer, athlete seeking an agent, or simply interested in understanding the world of sports representation, the reader will find in *The Business of Sports Agents* the most comprehensive overview of the industry as well as a straightforward analysis of its problems and proposed solutions.

Principles and Practice of Sport Management, Third Edition, provides students with solid fundamental information on what they need to do to be successful in the sport industry. Updated and expanded, this best-selling text offers a unique blend of information on the foundations and principles on which sport management operates as well as how to apply those foundations and principles to the sport industry. The authors, all well-renowned professors in sport management or sport administration, have produced a text that is thorough, practical, and lively, and which lays the groundwork for students as they study and prepare for successful careers in sport management.

A look at the business and practice of NFL scouting through the eyes, insights and stories of active and former evaluators.
