Read by millions of students over seven editions, The Norton Anthology of English Literature remains the most trusted undergraduate survey of English literature available and one of the most successful college texts ever published.

The definitive survey, combining current scholarship with a vibrant narrative. Carefully informed by feedback from dozens of scholars, it remains the book that students and teachers trust to explain what's important, where it fits, and why it matters. Peter Burkholder weaves a compelling story of people, their choices, and the western musical tradition that emerged. From chant to hip-hop, he connects past to present to create a context for tomorrow's musicians.
