### Official Paul McCartney: Tours, Music, Media & Community

James Paul McCartney was born on 18 June 1942 at Walton Hospital in the Walton area of Liverpool, where his mother, Mary Patricia (née Mohin), had qualified to practise as a nurse. His father, James ("Jim") McCartney, was absent from his son's birth due to his work as a volunteer firefighter during World War II. McCartney has a younger brother named Michael and a stepsister named Ruth.

A work of unparalleled candor and splendorous beauty, *The Lyrics* celebrates the creative life and the musical genius of Paul McCartney through 154 of his most meaningful songs. From his early Liverpool days, through the historic decade of The Beatles, to Wings and his long solo career, *The Lyrics* pairs the definitive texts of 154 Paul McCartney songs with first-person commentaries on his life and music. Spanning two alphabetically arranged volumes, these commentaries reveal how the songs came to be and the people who inspired them: his devoted parents, Mary and Jim; his songwriting partner, John Lennon; his "Golden Earth Girl," Linda Eastman; his wife, Nancy McCartney; and even Queen Elizabeth, among many others. Here are the origins of "Let

It Be," "Lovely Rita," "Yesterday," and "Mull of Kintyre," as well as McCartney's literary influences, including Shakespeare, Lewis Carroll, and Alan Durband, his high-school English teacher. With images from McCartney's personal archives—handwritten texts, paintings, and photographs, hundreds previously unseen—The Lyrics, spanning sixty-four years, becomes the definitive literary and visual record of one of the greatest songwriters of all time.

An authorized portrait of one of the world's most famous musicians draws on exclusive interviews and access to personal archives to chronicle his private life and successful career

From the acclaimed biographer who brought you the rock biography of Bruce Springsteen comes the life of musician Paul McCartney—from his groundbreaking years with the Beatles to Wings to his work as a solo artist and activist. More than a rock star, more than a celebrity, Paul McCartney is a cultural touchstone who helped transform popular music as one half of the legendary Lennon-McCartney songwriting duo. In this definitive biography, Peter Ames Carlin examines McCartney's entire life, casting new light not just on the Beatles era but also on his years with Wings and his thirty-year relationship with his first wife, Linda McCartney. He takes us on a journey through a tumultuous couple of decades in which Paul struck out on his own as a solo artist, reached the top of the charts with a new band, and once again drew hundreds of thousands of screaming fans to his concerts. Carlin presents McCartney as a musical visionary but also as a layered and conflicted figure as haunted by his own legacy—and particularly his relationship with John Lennon—as he was inspired by it. Built on years of research and fresh, revealing interviews with friends, bandmates, and collaborators spanning McCartney's entire life, Carlin's lively biography captures the many faces of the living legend.

The first biography written with Paul McCartney's approval and with access to family members and friends closest to him. Superbly evoking half a century of popular music and culture, Paul McCartney is the definitive life of a long-misunderstood genius. In this masterly biography, history's most successful songwriter, a man of seemingly effortless talent, beauty and charm, is revealed as a complex, insecure workaholic who still feels as great a need to prove himself in his seventies as when he was a teenager. We learn how his boyhood was blighted by the death of his mother, Mary - later the inspiration for 'Let It Be' - but redeemed by his remarkable father, Jim, a Liverpool cotton-salesman who was his only music-teacher and whose influence has permeated his career. We understand as never before the creative symbiosis between John Lennon and himself that unlocked the extraordinary treasury of their songs for the Beatles when they were barely into their twenties, and the fierce rivalry which lasted beyond the band's break-up to the end of John's life - and still haunts and inspires Paul to this day. Here for the first time is the full story of Paul post-Beatles: his trauma after being brutally sidelined by

## Access Free Paul McCartney

John, George and Ringo over the appointment of their last manager, Allen Klein; his near-breakdown on his remote Scottish farm and dogged determination to build a new band, Wings, into as big a name in the 1970s as the Beatles had been in the 1960s. Here too is the first inside story of his marriage to Linda Eastman, much criticised at the outset but destined to become the longest and strongest in rock until her death from cancer. Here are the traumatic post-Linda years when his charmed life seemed temporarily to crack up: his whirlwind romance with Heather Mills ending after four years' marriage in one of the most expensive and rancorous divorces in British legal history. As richly fascinating and dramatic as its subject, Paul McCartney: The Biography is the last word on a man whose music has lit up the world.

The definitive Paul McCartney biography, written with his approval by bestselling biographer Philip Norman. Since the age of twenty-one, Paul McCartney has lived one of the ultimate rock-n-roll lives played out on the most public of stages. Now, Paul's story is told by rock music's foremost biographer, with McCartney's consent and access to family members and close friends who have never spoken on the record before. PAUL MCCARTNEY reveals the complex character behind the façade and sheds new light on his childhood--blighted by his mother's death but redeemed by the father who introduced him to music. This is the first definitive account of Paul's often troubled partnership with John Lennon, his personal trauma after the Beatles' breakup, and his subsequent struggle to get back to the top with Wings--which nearly got him murdered in Africa and brought him nine days in a Tokyo jail. Readers will learn about his marriage to Linda, including their much-criticized musical collaboration, and a moving account of her death. Packed with new information and critical insights, PAUL MCCARTNEY will be the definitive biography of a musical legend.

From the legendary Paul McCartney - an action-packed picture-book adventure celebrating the fun grandparents and grandchildren can have when their imaginations run wild. See the compass needle spin - let the magic fun begin! Grandude is a one-of-a-kind adventurer - a Mary Poppins for the modern day! With his magic compass he whisks his four grandkids off on whirlwind adventures, taking them all around the globe . . . Join them as they ride flying fish, dodge stampedes in the Wild West, and escape snowy avalanches! Brought to life in a riot of colour by talented children's illustrator Kathryn Durst, it's the perfect story for little explorers.

An illuminating look at the most tumultuous decade in the life of a rock icon--the only McCartney biography in decades based on firsthand interviews with the ex-Beatle himself. As the 1970s began, the Beatles ended, leaving Paul McCartney to face the new decade with only his wife Linda by his side. Holed up at his farmhouse in Scotland, he sank into a deep depression. To outsiders, McCartney seemed like a man adrift--intimidated by his own fame, paralyzed by the choices that lay before him, cut loose from his musical moorings. But what appeared to

## Access Free Paul McCartney

be the sad finale of a glorious career was just the start of a remarkable second act. The product of a long series of one-on-one interviews between McCartney and Scottish rock journalist Tom Doyle, *Man on the Run* chronicles Paul McCartney's decadelong effort to escape the shadow of his past, outrace his critics, and defy the expectations of his fans. From the bitter and painful breakup of the Beatles to the sobering wake-up call of John Lennon's murder, this is a deeply revealing look at a sometimes frightening, often exhilarating period in the life of the world's most famous rock star. Sensing that he had nowhere to go but up, Paul McCartney started over from scratch. With emotional—and musical—backing from Linda, he released eccentric solo albums and embarked on a nomadic hippie lifestyle. He formed a new band, Wings, which first took flight on a ramshackle tour of British university towns and eventually returned Paul to the summit of arena rock superstardom. In *Man on the Run*, Doyle follows McCartney inside the recording sessions for Wings' classic album *Band on the Run*—and provides context for some of the baffling misfires in his discography. Doyle tracks the dizzying highs and exasperating lows of a life lived in the public spotlight: the richly excessive world tours, the Japanese drug bust that nearly ended McCartney's career, his bitter public feuds with his erstwhile Beatle bandmates, and the aftermath of an infamous drug-and-alcohol-fueled jam session where McCartney helped reconcile the estranged John Lennon and Yoko Ono. For Paul McCartney, the 1970s were a wild ride with some dark turns. Set against the backdrop of a turbulent decade, *Man on the Run* casts the “sunny Beatle” in an entirely new light. Praise for *Man on the Run* ““Tom Doyle's detailed chronicle, which includes rare interviews with McCartney and former Wings members, portrays a band that was far more contentious than eager-to-please hits like 1976's ‘Let ‘Em In’ had us believe, fronted by a legend who wanted to be both boss and buddy. The book is larded with tales of Seventies rock-star excess, Paul and Linda's love of weed, docked paychecks, and grousing musicians.”—Rolling Stone “Well-researched but still breezy and engaging, the book offers a comprehensive tour of the shaggy, bleary-eyed decade when the hardest-working ex-Beatle reached the zenith of his creative and commercial success. . . . *Man on the Run* makes an excellent contribution to the burgeoning literature devoted to McCartney's post-Beatles career.”—The Boston Globe “In the 1970s, a depressed, heavy-drinking Paul McCartney walked away from The Beatles and reinvented himself as the leader of another hitmaking rock ‘n’ roll band. A new book by longtime Q magazine contributing editor Tom Doyle about that turbulent period in the legendary rock star's life, *Man on the Run*, catches him in mid-flight.”—Billboard

Paul McCartney's songwriting output as a member of the Beatles, mainly with his co-writer John Lennon, has been exhaustively documented over the years. Now, taking 50 key songs from his five-decade career since the break-up of the Fab Four, *Paul McCartney: The Stories Behind 50 Classic Songs* takes an in-depth look at the post-Sixties work of one of popular music's most versatile and prolific composers and

## Access Free Paul Mccartney

performers. Paul McCartney has been a genuine pop idol, a cutting-edge experimenter, and in later years recognized as an international musical treasure. The 50 selections from his vast songwriting catalogue highlighted in Paul McCartney: The Stories Behind 50 Classic Songs mark half a century of musical creativity by a true icon of popular music. Each song includes full session details, personnel lists and chart data and is described in detail, from original inspiration to the final release. Quotes from session musicians and studio personnel - and star guests such as Stevie Wonder, Elvis Costello and Kanye West - bring the making of every song to life, alongside a wealth of related photographs in and out of the studio.
