Photography Cultural History Brothers Caroline

Brothers applies her argument with special reference to French and British newspaper images of the Spanish Civil War, a selection of which is presented in the book. Rejecting analyses based upon the content of the images alone, she argues that photographic meaning is largely predetermined by its institutional and cultural context.

For one or two semester courses in the History of Photography. Mary Warner Marien has constructed a richer and more kaleidoscopic account of the history of photography than has previously been available. Her comprehensive survey shows compellingly how photography has sharpened, if not altered forever, our perception of the world.

Photography: A Cultural History by Mary Warner Marien

A beautiful gift format Then and Now featuring vintage color pictures from the 1940s to the 1970s. This mini hardback New York Then and Now is a new addition to the bestselling series that takes archive photos in vintage color from the 1940s, '50s, '60s, and '70s and pairs them with the same view today. This book helps dispel the myth that New York was filled up with yellow cabs in the 1950s ...
