Pit Bulls have an image problem. If you 've never been around Pit Bulls, you may think they are bloodthirsty man-eaters on the prowl for their next meal. If you 've lived with one you know they are, indeed, on the prowl for their next meal -- but they plan to get it by conning you out of your meal by doing something irresistibly cute! A breed of satin and steel, Pit Bulls are a mixture of softness and strength, an uncanny canine combination of fun, foolishness, and serious business. If you think Pit Bulls should be purged from the face of the earth, Pit Bulls For Dummies will enlighten you. Perhaps you're curious about this breed and want to know what Pit Bulls are really like; if so, this book is for you. Who else needs this handy reference? Smart people who realize that all breeds have good and bad points New (and not so new) owners who need help with training Owners looking for just the right veterinarian Potential owners looking to adopt from a breed-
