TextBook Pleadings Without Tears Guide To Legal Drafting

Pleadings Without Tears: A Guide to Legal Drafting Under the Civil Procedure Rules, William M. Rose, Oxford University Press, Incorporated, 2002, 0199254389, 9780199254385, 349 pages. Pleading Without Tears has become established as one of the most successful books on practical drafting.

Pleadings Without Tears has become established as one of the most successful books on practical legal drafting in the context of litigation. This new eighth edition is fully updated to take account of Civil Procedure Rule (CPR) changes since the last edition. The book takes a practical and insightful look at the subject of legal drafting, enabling the reader to become more confident in approaching this often unnecessarily daunting subject. It focuses on core skills and fundamental rules while clearly addressing each stage of the process and goes beyond a straightforward setting out of the precedents and authorities relevant to statements of case. It gives clear examples of how to set out relevant matters with clarity and precision and encourages the reader to give full consideration to concise and clear identification of the subject matter of the action, the issues of the case and the parties' respective positions in respect to those issues. With a wealth of practical examples and anecdotes - and illustrated throughout with cartoons - the light and entertaining style, combined with detailed analysis and explanation, enables the reader to easily acquire a good understanding of drafting.

This practical step-by-step guide covers the "what", the "how" and the "why" of pleadings.

The first textbook to address land law as it relates to the Commonwealth Caribbean, it encompasses all areas covered in an undergraduate course on the law of real property in the Caribbean. Primary and secondary source material on the law of property in the whole of the Commonwealth Caribbean is made easily and readily accessible to law students and legal practitioners. Statutory provisions from all States are discussed in relation to each topic and the similarities and differences are highlighted. Extensive discussion and analysis of the decisions of the courts in the region are also included alongside an in-depth analysis and critical discussion of English case law that is relevant to the Caribbean. The examination of whether or not English case law should be followed in the region is relevant and interesting to anyone studying or practising law in other Commonwealth jurisdictions. Essential reading for undergraduate law students in the Caribbean, this text will also prove useful to those studying for the certificate of proficiency in the practice of law in the Commonwealth Caribbean, while the footnote references to statutory provisions are an invaluable aid to any researcher of Caribbean land law.

This book takes a practical and insightful look at the subject of legal drafting, enabling the reader to become confident in approaching this often unnecessarily daunting subject. It focuses on core skills and fundamental rules while clearly addressing each stage of the process in a lively and entertaining manner.

Adjudication has been the main means of settling construction disputes since it was first introduced by the Housing Grants, Construction and Regeneration Act 1996, and a substantial body of case law has now built up. This book established itself as the key authority on adjudication when it was first published. It has now been revised to reflect the authors' experience of adjudication in practice and to cover the large number of court decisions. It features useful appendices on adjudication materials.

Drafting is one of the most specialist and refined skills that must be mastered by those training for the Bar. A Barrister must not only be able to draft with absolute clarity and precision, but also use drafting skills effectively for persuasive and tactical purposes.This new edition has been revised and updated to act as a comprehensive teaching manual which will be of real practical use to all students. It places the emphasis on pleadings, both because of their importance in civil litigation, and because they provide the best foundation for the learning process. However, it also covers a variety of types of drafting that are of relevance to general practice.Each chapter contains numerous examples and every example is followed by a detailed commentary explaining the draft. Throughout the manual are a series of exercises, which will enable students and practitioners to practise and develop their skills and to discover further techniques not included in the examples.This edition takes into account all the latest changes relating to practice and procedure. The early chapters on the skills of drafting have been rewritten and there is a new chapter on the use of plain English.

The Complete Advocate is a comprehensive guide to the advocate from the beginning of a case to its end. This book covers the essential skills needed to perform well as an advocate including research, writing, time management, client interviewing and public speaking. Technical topics such as examination in chief, cross-examination, civil and criminal applications, opening and closing speeches, appellate advocacy, court etiquette, traditions and ethics for lawyers are also examined. The author adopts a practical approach to the topics giving many examples to guide beginner advocates.

A night to remember A man she'll never forget! After her failed engagement, a relationship is the last thing on junior doctor Isla Sinclair's mind. She's focused on her forthcoming new life, working aboard a prestigious cruise ship. But before she even reaches the gangplank, she meets Nikhil... Their connection is unlike anything Isla has experienced before! But Nikhil is clear. One—unforgettable!—night is all he can offer...leaving Isla wholly unprepared for their unexpected reunion aboard ship! From Harlequin Medical: Life and love in the world of modern medicine.

This book not only offers a practical and comprehensive guide to effective written advocacy, but provides worked examples drawn from real cases contributed from today's leading and highly successful advocates.
