Professional No-Limit Hold 'Em was a widely anticipated book. The literature on NL holdem is very sparse, which is somewhat odd given that it is currently the most widely played form of casino poker. Over the last couple of years, 2+2 publishing has put a number of books and series in the pipeline to try to fill that gap.

Professional No-Limit Hold 'em: Volume I: 1: Amazon.co.uk ...

No-limit hold em was once only a tournament game. Cash games were rarely spread in conventional poker rooms, let alone the Internet. All of that changed when the game exploded on television. No-limit cash games started sprouting up at casinos of all types. No-limit hold em is now the most popular form of poker.

hold 'em. The no-limit variation has been used to determine poker's World Champion since the very first tournament back in 1970. Nowadays there are about as many no-limit hold 'em tournaments as all other kinds combined, and every major tournament has a high-stake no-limit event as its culminating contest. On television, you can watch no-limit hold 'em tournaments at least three days a week (not counting reruns).

Professional No Limit Hold Em is absolutely worth the price of admission. If you are coming from a back ground in limit or tournament play this book will show you what things to think about throughout a hand. It was very enlightening to think through hands I've played in the past in light of the information that I've learned in this book.

No limit hold 'em is exploding in popularity. Before 2000, it could be difficult to find a game. In 2006, it is played everywhere - in casino cardrooms, in backrooms and homes, and on the Internet. Now anyone can find a game, but few know how to play well. Most players learn by watching television or by listening to dubious advice from their friends. While they may have picked up a valuable tidbit here or there, most players have two options: wise up or go broke. The world's foremost poker theorist, David Sklansky, and noted poker authority, Ed Miller, will wise you up quickly. No Limit Hold 'em: Theory and Practice is the definitive work on this complex game. It provides you a window into the heads of experts, teaching you in straightforward and enjoyable terms the how's and why's of winning play. Book jacket.

Excelling at No-Limit Hold'em is a sensation in poker publishing. Renowned poker professional and author Jonathan Little brings together 17 of the greatest no-limit experts in the world to discuss all aspects of the game. These experts include superstars such as Phil Hellmuth, Chris MoneyMaker, Mike Sexton and Jared Tendler. In Part 1 strategies are analysed for topics such as understanding the fundamentals, satellite play, lower-buy in events, analysing tells and moving up in stakes Part 2 sees a thorough technical breakdown of the game including sections on range analysis, game theory optimal play, short stack strategies, value betting and final table play. As any serious poker will confirm, the technical side is only half the battle and so Part 3 deals with mental toughness, psychology and understanding tilt. Excelling at No-Limit Hold'em provides all the tools that an aspiring player needs to understand no-limit hold'em. It is a must buy for anyone who is serious about wanting to improve their poker.

Small stakes no-limit hold'em cash games offer remarkable opportunities...if you come armed with the right skills. To win in today's game you need to draw on a complete arsenal of the latest theories, strategies, and tactics. Now, available for the first time in print, this ultimate handbook outlines a powerful path to success, as three of the world's top expertsnoted poker authority Ed Miller, top pro Sunny Mehta, and renowned practical theorist Matt Flynnput their expertise to work for you. Using hand examples from actual play to illustrate key concepts, Small Stakes No-Limit Hold'em translates high-level poker theory into an easy-to-learn format that will give you the edge needed to win in today's games. You'll learn solid money-winning tactics and be able to craft winning strategies just like the top cash-game pros. Get the lowdown on: - 7 easy steps to no-limit hold'em success - Making decisions using steal equity and showdown equity - Beating online 6-max games - Isolating bad players and handling tough, aggressive players - Determining optimal bluff sizes and planning big bluffs - Balancing your lines of play to maximize deception ...and much more! Poker is a fun game, but it's even more fun when you win. With Miller, Mehta, and Flynn as your mentors, you will have all the advanced-yet-practical information you need to dominate any small stakes no-limit hold'em cash game.

Heads-up confrontations can occur in any game, even when every seat is occupied. Adjusting to the amount of aggression can be difficult since heads-up battles require you to bet and raise with many hands. This book covers heads-up tournaments, cash matches, the final two of a multi-table tournament, and blind-vs-blind play at fuller tables. Mastering heads-up no-limit hold 'em is invaluable if you're looking to add a loose-aggressive component to your game. With more heads-up matches available, becoming proficient in them is highly profitable.

Poker enthusiasts of all skill levels can learn how to improve their play by following the strategies and techniques of poker educator Largay in this distillation of his professional classroom instruction. A progressive system of learning that examines the intricacies of no-limit Texas Hold'em on a step-by-step basis, the lessons advance from absolute beginner to professional level while exploring common tips to determine rates of success and offering methods to get beyond the game's most difficult concepts.--From publisher description.

Short-handed No Limit Hold'em is a dangerous game. There's nowhere to hide - the slightest blip can cost you your entire stack, whilst a good play can bust your opponents. The weak players get crushed and the winners clean up. Buy this book and you will become a winner. Secrets of Short-handed No Limit Hold'em: features clear and insightful explanations of the thought processes of a successful high stakes playerteaches how to read hands - the key skill for successful short-handed playfeatures many actual hands from real high stakes shorthanded no limit hold'em cash games Many of the ideas articulated and explained in this book have never been seen in print before. This book. In each case, there is a very detailed, in-depth explanation for the thought processes and concepts involved in the hand. Emphasis is placed on the psychology involved which is of key importance for no limit play.

Since its first publication in 1994, Winning Low-Limit Hold'em, by Lee Jones, has become the major reference on playing Texas Hold'em at the lower limits. However, poker has changed over the several years and Lee has continued to study the game. The result is this revised and expanded second edition.

One of the most daunting moments in a poker player's career occurs when he realizes his knowledge of how to play a specific hand well is incomplete without the additional understanding of how to play every other hand in his range well. This task would be impossible if a player had to actually think about every other

hand in his range, but by understanding theoretical sound poker, he can quickly design balanced ranges using the proper bet-sizing while playing. Applications of No-Limit Hold 'em teaches theoretical sound poker, and thus the ability to create the bet-sizings and ranges which will beat the better players. The theory in this book is not designed to be complex or abstract, but rather it's intended to be applied immediately producing better overall results. Many confusing concepts such as overbetting, balancing multiple bet-sizing ranges, donk betting, and check-raising as the preflop raiser are crucial to a player's strategy despite few players implementing them or talking about them. And after reading this book, you should be able to not only conceptually understand these ideas, but also know how to begin incorporating them into your game, and thereby successfully compete against tough opponents.

The first years of the poker boom were fueled by the interest in no-limit hold 'em tournaments. Recently, however, players have been gravitating to another, even more complex form of hold 'em - no-limit cash games. Harrington on Cash Games: Volume II continues where Volume I left off. In sections on turn and river play, Harrington explains why these are the most important streets in no-limit hold 'em, and shows how to decide when to bet or check, when to call or fold, and when to commit all your chips. In later sections, Harrington shows how to play a looser and more aggressive style, how to make the transition from online to live games, and how to extract the maximum profit from very low-stakes games. Volume II concludes with an interview with Bobby Hoff, considered by many the best no-limit cash game player of all times, who shares some of his secrets and insights.
