Quickbooks Learning Guide 2014

Throughout the student book, QuickBooks Fundamentals Learning Guide 2014, students will find tips on how to set up and use QuickBooks so that the student has the information they need for their career and for their business. Each chapter covers how to manage a general part of their business. To allow students to learn the chapters in any order, each chapter uses a separate QuickBooks data file that students can use with QuickBooks to complete the practice lessons.
