Since her suicide at age thirty, Sylvia Plath (1932-1963) has been celebrated for her impeccable and ruthless poetry. Rough Magic probes the events of Plath's life, including her turbulent marriage to the poet Ted Hughes.

The brief, meteoric trajectory of the great poet who committed suicide at the age of 30 in 1963 is mined for its troubles and tragedies with scarcely any attention to the brilliant, burning poetry. Annotation copyrighted by Book News, Inc., Portland, OR

"Taking off on a horse into the Mongolian Steppe sounds like the bracing inverse to an overpopulated, busy urban life, but having the skills and grit to pull it off is another thing entirely. . . . Lara Prior — Palmer attempted the Mongol Derby not really knowing what she was getting into; she ended it knowing much more about herself, and a race champion besides." Estelle Tang, Elle At the age of nineteen, Lara Prior — Palmer discovered a website devoted to " the world's longest, toughest horse race " an annual competition of endurance and skill that involves dozens of riders racing a series of twenty — five wild ponies across 1,000 kilometers of Mongolian grassland. On a whim, she decided to enter the race. As she boarded a plane to East Asia, she was utterly unprepared for what awaited her. Riders often spend years preparing to compete in the Mongol Derby, a course that re — creates the horse messenger system developed by Genghis Khan. Many fail to finish. Prior — Palmer had no formal training. She was driven by her own restlessness, stubbornness, and a lifelong love of horses. She raced for ten days through extreme heat and terrifying storms, catching a few hours of sleep where she could at the homes of nomadic families. Battling bouts of illness and dehydration, exhaustion and bruising falls, she decided she had nothing to lose. Each dawn she rode out again on a fresh horse, scrambling up mountains, swimming through rivers, crossing woodlands and wetlands, arid dunes and open steppe, as American television crews chased her in their jeeps. Told with terrific suspense and style, in a voice full of poetry and soul, Rough Magic captures the extraordinary story of one young woman who forged ahead, against all odds, to become the first female winner of this breathtaking race. "Think the next Educated or Wild. Palmer's memoir of beating the odds to become a horse champion is an inspiring saga of perseverance—and a classic underdog tale." —Entertainment Weekly

Newly reissued and available for the first time in ebook! Rediscover this classic romance by the queen of romantic suspense, New York Times bestselling author Heather Graham. Like a legend come to life... Wolves were howling and the moon was full on the night Carly Kiernan reached Castle Vadim. Its walls rose forbiddingly, as if part of the mountains themselves. No less forbidding was Jon, Count Vadim, who dressed in black and called to mind another man, one who feared to face the sun and consorted with the creatures of the night. But this was Halloween! Surely, Carly told herself, by day the count would prove to be no more mysterious than the trick-or-treaters she would have faced at home. But the morning brought only another question: why was she falling in love with such an enigmatic man? Originally published in 1988
