But despite his feral tantrums, interspersed with indiscriminate spending sprees and a sex life that was like a gabbling multiplication game, Nureyev emerges from this affectionate, acutely...

Rudolf Nureyev had it all: beauty, genius, charm, passion, and sex appeal. No other dancer of our time has generated the same excitement, for both men and women, on or off the stage. With Nureyev: The Life, Julie Kavanagh shows how his intense drive and passion for dance propelled him from a poor, Tatar-peasant background to the most sophisticated circles of London, Paris, and New York. His dramatic defection to the West in 1961 created a Cold War crisis and made him an instant celebrity, but this was just the beginning. Nureyev spent the rest of his life breaking barriers: reinventing male technique, "crashing the gates" of modern dance, iconoclastically updating the most hallowed classics, and making dance history by partnering England' s prima ballerina assoluta, Margot Fonteyn--a woman twice his age. He danced for almost all the major choreographers--Frederick Ashton, George Balanchine, Kenneth MacMillan, Jerome Robbins, Maurice Béjart, Roland Petit--his main motive, he claimed, for having left the Kirov. But Nureyev also made it his mission to stage Russia's full-length masterpieces in the West. His highly personal productions of Swan Lake, The Nutcracker, Raymonda, Romeo and Juliet, and La Bayadère are the mainstays of the Paris Opéra Ballet repertory to this day. An inspirational director and teacher, Nureyev was a Diaghilev-like mentor to young protégés across the globe--from Karen Kain and Monica Mason (now directors themselves), to Sylvie Guillem, Elisabeth Platel, Laurent Hilaire and Kenneth Greve. Sex, as much as dance, was a driving force for Nureyev. From his first secret liaison in Russia to his tempestuous relationship with the great Danish dancer Erik Bruhn, we see not only Nureyev's notorious homosexual history unfold, but also learn of his profound effect on women--whether a Sixties wild child or Jackie Kennedy and Lee Radziwill or the aging Marlene Dietrich. Among the first victims of AIDS, Nureyev was diagnosed HIV positive in 1984 but defied the disease for nearly a decade, dancing, directing the Paris Opéra Ballet, choreographing, and even beginning a new career as a conductor. Still making plans for the future, Nureyev finally succumbed and died in January 1993. Drawing on previously undisclosed letters, diaries, home-movie footage, interviews with Nureyev's inner circle, and her own dance background, Julie Kavanagh gives the most intimate, revealing, and dramatic picture we have ever had of this dazzling, complex figure. NOTE: This edition does not include photos.

In this authorized biography using many never-before-seen papers and letters and unprecedented interviews with dancers, family, friends and lovers, Julie Kavanagh tells how the little boy who was born on a train in Siberia at the beginning of World War II grew up to become the greatest male ballet star ever. It is the extraordinary story of how he scrambled his way to the top of the Kirov ballet in record time,how he defected from the USSR; it details his long affair with his hero (the other great ballet star of the times Erik Bruhn) and his rejection by his other hero the great choreographer Balanchine (the ballet director he most longed to work with). It tells of his partnership with Margot Fonteyn, his numerous ballet productions, his own choreography, his leadership of the Paris ballet and mentoring of younger dancers like Sylvie Guillem, as well as his illness and death at a cruelly young age from AIDS. This is a brilliant portrait of a wildly attractive monster whose genius was never in question.

Novelist Colum McCann's Dancer is the erotically charged story of the Russian dancer Rudolf Nureyev as told through the cast of those who knew him. There is Anna Vasileva, Rudi's first ballet teacher, who rescues her protégé from the stunted life of his provincial town; Yulia, whose sexual and artistic ambitions are thwarted by her Soviet-sanctioned marriage; and Victor, the Venezuelan street hustler, who reveals the lurid underside of the gay celebrity set. Spanning four decades and many worlds, from the horrors of the Second World War to the wild abandon of New York in the eighties, Dancer is peopled by a large cast of characters, obscure and famous: doormen and shoemakers, nurses and translators, Margot Fonteyn, Eric Bruhn and John Lennon. And at the heart of the spectacle stands the artist himself, willful, lustful, and driven by a never-to-be-met need for perfection.

In the first full-scale biography of Rudolf Nureyev since his death from AIDS in 1993, Stuart tells Nureyev's story with wit and grace (Chicago Sun-Times). No dancer in history has been so splendidly characterized in the written word.--Francis Mason, Ballet Review. of photos.

Margot Fonteyn born plain Peggy Hookham was dreamed into existence by the architects of British ballet: Ninette de Valois, Frederick Ashton and Constant Lambert. Carried to fame on a wave of wartime patriotism, Margot's sense of duty rather than ambition propelled her forward. Yet her gifts were such that her pre-eminence would come to eclipse the careers of subsequent generations.Ballet is a fairytale world; if Margot, like the pure and poetic heroine of Swan Lake, was a natural Odette, she would also have to contend with virtue's raw shadow-side in the guise of Constant Lambert, Roberto Arias and Rudolph Nureyev the men who, like Von Rothbart, were to take possession of her heart.

A biography of the choreographer Frederick Ashton which traces his progress from Peruvian childhood and unhappy schooldays, through initiation into a homosexual artistic coterie, to a varied career in dance, culminating in public and royal acclaim.
