Sea of Memories by Fiona Valpy was the first book in quite some time that made me ugly cry myself into quite the intense headache, but despite that (or maybe because of that) I found it to be an absolutely lovely reading experience. Much of the novel takes place on the Île de Ré island off the shore of France, which is about as picturesque and serene as a setting can possibly be; however, the tranquility of the island (like all of Europe) was disrupted by the bombs and violence of World ...

Sea of Memories is a poignant love story within a love triangle that Ella's resilience overcomes. My sympathies are with Angus her 'lasting love' - what a patient man. Ella's grand daughter helps Ella to capture her story on paper as she herself is struggling in her own marriage that feels love lost.

Nostalgia – The Sea Of Memories Monteverdi, in much the same vein, fused the sounds he heard in the port of Venice into the origins of the artform we know as opera. An aria of Monteverdi's in this programme segues sweetly into a Sufi hymn from Turkey and a Sephardi wedding song, arriving from Granda via Salonica.

Sea of Memories is a beautiful love story. It is the love story between Ella and Angus, Ella and Christophe and ultimately between Kendra and Dan. It is also a love story between Ella and Kendra. Ella asks her granddaughter, Kendra, to write her story before she becomes so frail that she can no longer remember it.

Sea of Memories by Fiona Valpy I have an extra review on the blog today as it's release day for Sea of Memoires, the latest novel by Fiona Valpy. I have waited a long time for a new release from Fiona, her previous three novels, set among the Bordeaux vineyards, were great reads so I was initially a little worried about the possibility of disappointment, if this new novel didn't live up to ...

Sea of Memories is a novel by Fiona Valpy. It is the first book in a series of novels set in the fictional world of the Sea of Memories. The series is set in a world where the sea is a powerful force, and the characters are often faced with challenges that test their resilience and faith. The novel is a poignant love story within a love triangle that Ella's resilience overcomes. My sympathies are with Angus her 'lasting love' - what a patient man. Ella's grand daughter helps Ella to capture her story on paper as she herself is struggling in her own marriage that feels love lost.

When Kendra first visits her ailing grandmother, Ella has only one request: that Kendra write her story down, before she forgets... In 1937, seventeen-year-old Ella's life changes forever when she is sent to spend the summer on the beautiful Île de Ré and meets the charismatic, creative Christophe. They spend the summer together, exploring the island's sandy beaches and crystal-clear waters, and, for the first time in her life, Ella feels truly free. But the outbreak of war casts everything in a new light. Ella is forced to return to Scotland, where she volunteers for the war effort alongside the dashing Angus. In this new world, Ella feels herself drifting further and further from who she was on the Île de Ré. Can she ever find her way back? And does she want to? From the windswept Île de Ré to the rugged hills of Scotland, Sea of Memories is a spellbinding journey about the power of memory, love and second chances.

The more than two dozen islands that make up southern Chile's Chiloé Archipelago present a unique case of culture change and rapid industrialization in the twentieth century. Since the arrival of the first European settlers in the late 1500s, Chiloé was given scant attention by colonial and national governments on mainland Chile. Islanders developed a way of life heavily dependent on marine resources, native crops like the potato, and the cooperative labor practice known as the minga. Starting in the 1980s, Chiloé emerged as a key player in the global seafood market as major companies moved into the region to extract wild stocks of fish and to grow salmon and shellfish for export. The region's economy shifted abruptly from one of subsistence farming and fishing to wage labor in export industries. Local knowledge, traditions, memories, and identities similarly shifted, with younger islanders expressing a more critical view of the rural past than their elders. This book recounts the unique history of this region, emphasizing the generational tensions, disconnects, and continuities of the last half century. Drawing on interviews, field observations, and historical documents, Anton Daughters brings to life one of the most culturally distinct regions of South America.

Winner of the Man Booker Prize A luminous novel about love, loss, and the unpredictable power of memory. In this "extraordinary meditation on mortality, grief, death, childhood and memory" (USA Today), John Banville introduces us to Max Morden, a middle-aged Irishman who has gone back to the seaside town where he spent his summer holidays as a child to cope with the recent loss of his wife. It is also a return to the place where he met the Graces, the well-heeled family with whom he experienced the strange suddenness of both love and death for the first time. What Max comes to understand about the past, and about its indelible effects on him, is at the center of this elegiac, gorgeously written novel – among the finest we have had from this masterful writer.

Contains original creations of art, humor, cartoons, and crafts of small ship sailors.

Heartbroken and hoping for a new start, Abi Hoves takes a summer job in rural France at the Château Bellevue. The old château echoes with voices from the past, and soon Abi finds herself drawn to one remarkable woman's story, a story that could change the course of her summer--and her life. In 1938, Eliane Martin tends beehives in the garden of the beautiful Château Bellevue. In its shadow she meets Mathieu Dubosq and falls in love for the first time, daring to hope that a happy future awaits. But France's eastern border is darkening under the clouds of war, and history has other plans for Eliane.. When she is separated from Mathieu in the chaos of German occupation, Eliane makes the dangerous decision to join the Resistance and fight for France's liberty. But with no end to the war in sight, her loyalty to Mathieu is severely tested. From the bestselling author of Sea of Memories comes the story of two remarkable women, generations apart, who must use adversity to their advantage and find the resilience deep within.

A third volume of the fantasy epic that began with Gardens of the Moon finds the uneasy alliance between Onearm's army and Whiskeyjack's Bridgeburners against the Pannion Domin empire further challenged by rumors that the Crippled God has escaped and is out for revenge. Reprint.

Using family photographs and quotes from her books, the author provides glimpses into her life.

A tale set in the 1970s American South shares the story of Lovie Rutledge, who reflects on a summer during which a beach vacation to escape her unfaithful, disdainful husband culminates in a fateful romance with a handsome biologist.

Considered Teffi's single greatest work, Memories: From Moscow to the Black Sea is a deeply personal account of the author's last months in Russia and Ukraine, suffused with her acute awareness of the political currents churning around her, many of which have now resurfaced. In 1918, in the immediate aftermath of the Russian Revolution, Teffi, whose stories and journalism had made her a celebrity in Moscow, was invited to read from her work in Ukraine. She accepted the invitation eagerly, though she had every intention of returning home. As it happened, her trip ended four years later in Paris, where she would spend the rest of her life in exile. None of this was foreseeable when she arrived in German-occupied Kiev to discover a hotbed of artistic energy and experimentation. When Kiev fell several months later to Ukrainian nationalists, Teffi fled south to Odessa, then on to the port of Novorossiysk, from which she embarked at last for Constantinople. Danger and death threaten throughout Memories, even as the book displays the brilliant style, keen eye, comic gift, and deep feeling that have made Teffi one of the most beloved of twentieth-century Russian writers.

Like a glass of wine in the French afternoon sunshine - The French for Love is the perfect summer escape. Fans of Katie Fforde, Carole Matthews, Kate Forster or Erica James - and everyone who enjoyed Nick Alexander's The French House - will love Fiona Valpy. Gina has lost her perfect job, her boyfriend and her favourite aunt all within the space of a few months. So when she inherits her aunt's ramshackle French house, Gina decides to pack her bags for the Bordeaux countryside - swapping the miserable English weather for blue skies, sunshine, great wine and a fresh start. What she hasn't factored in is a hole in the roof, the most embarrassing language faux pas, and discovering family secrets that she was never supposed to know. Suddenly feeling a long way from home, Gina will have to rely on new found friends, her own hard work and Cedric - her charming, mysterious and tres handsome new stonemason. But whilst desire needs no translation, love is a different matter. Can Gina overcome the language barrier to make her French dream come true?
