As many people know, the word scholarship is somewhere in the past derived from the Ancient Greek skholê for “leisure” (since literary and linguistic studies were both the sorts of things people did in their leisure time and you had to be a person with leisure time to do them). This also happens to be the word that Woodhouse’s English-Greek Dictionary provides as the translation for

Isidore of Seville, Etymologies 1.32:

Barbarism is a word pronounced with a corrupted letter or sound. In the case of a letter, you might have floriet where it is appropriate to say florebit. In the case of sound, the first syllable might be drawn forth in place of the middle, as in latebrae, tenebrae. It is called barbarism after barbarians, since they were ignorant of the
