Shatter the Bones is the seventh Logan McRae book
and is in my opinion the best of the series so far.
MacBride has a wonderful talent in not just building up
his main detective but in building up the entire station
he works in. McBride has managed to make Steel
(Logan's boss) and several other members of the book
be just as important and just as good a character as
Logan and the books are the better for it.

The Logan McRae series is set in Aberdeen, the Granite City, Oil Capital of Europe, perched on the east coast of Scotland. They always say, "write what you know" so I did – using Aberdeen as the backdrop for a series of horrific crimes, murders, serial killers, and much eating of chips and drinking of beer. Of these, the only ones I have any direct experience of are beer and chips, but some nice local police officers helped me fill in the rest.
