This trail-blazing book is likely to become the definitive manual on playing and coaching cricket. It represents the first time that a cricket coach and a sports scientist (both world experts in their field) have combined their experience, insights and wisdom to create what is probably the most comprehensive and complete book on playing and coaching cricket anywhere in the world. Unlike many other coaching manuals, this book does not simply supply technical 'recipes' for batting, bowling and fielding (although

these are thoroughly covered). The goal is to develop true 'all-rounder' players who show not only technical but mental strength, and who are as physically fit and injury-resistant as possible. The mental, scientific, biomechanical and medical aspects of the game are discussed in detail. Although scientifically and technically thorough, the book is written in a lively style; there are summaries, explanatory illustrations (photographs and diagrams), anecdotes and handy tips from some of the game's greatest players and characters.

Communicating effectively is a key success factor in business. Change the Way You Communicate gives you an edge in developing your business communication skills.

No matter where you are on the organizational ladder, the odds are high that you've delivered a high-stakes presentation to your peers, your boss, your customers, or the general public. Presentation software is one of the few tools that requires professionals to think visually on an almost daily basis. But unlike verbal skills, effective visual expression is not easy, natural, or actively taught in schools or business training programs. slide:ology fills that void. Con independencia del puesto que ocupemos en nuestra empresa, lo más probable es que debamos realizar presentaciones importantes ante los compañeros, el jefe, nuestros clientes o el público general. El software para presentaciones es una de las pocas herramientas que prácticamente a diario nos obliga a pensar de forma visual en nuestro trabajo. Pero, al contrario que la capacidad verbal, la expresión visual efectiva no es fácil ni natural, y no se enseña en el colegio ni en los programas de formación en las empresas. El objetivo de Slide:ology es cubrir este vacío. Escrito por Nancy Duarte, directora de Duarte Design, la empresa que diseñó la presentación de Una verdad incómoda, la película de Al Gore premiada con un Oscar, este libro está repleto de estrategias prácticas que cualquiera podrá utilizar para desarrollar presentaciones visuales. Combina el pensamiento conceptual y el diseño inspirador con reveladores casos prácticos de las mejores empresas del mundo. Con slide: ology usted aprenderá a: Conectar con su público específico. Convertir sus ideas en gráficos informativos. Utilizar de forma efectiva las técnicas del esbozo y de los diagramas. Crear gráficos que permitirán al público procesar la información fácilmente. Desarrollar presentaciones verdaderamente convincentes. Sacarle partido a las herramientas tecnológicas para las presentaciones. Se crean millones de presentaciones y de transparencias, y la mayoría no consiguen sus objetivos. Slide: ology cambiará la forma tradicional en que generamos transparencias enseñándonos a pensar visualmente. Y esto le dará un impulso definitivo a su carrera profesional.
