C. Bender, senior White House reporter for the Wall Street Journal, presents a deeply reported account of the 2020 presidential campaign that details how Donald J. Trump became the first incumbent in three decades to lose reelection--and the only one whose defeat culminated in a violent insurrection. Beginning with President Trump's first impeachment and ending with his second, **FRANKLY, WE DID WIN THIS ELECTION** chronicles the inside-the-room deliberations between Trump and his campaign team as they opened 2020 with a sleek political operation built to harness a surge of momentum from a bullish economy, a unified Republican Party, and a string of domestic and foreign policy successes--only to watch

everything unravel when fortunes suddenly turned. With first-rate sourcing cultivated from five years of covering Trump in the White House and both of his campaigns, Bender brings readers inside the Oval Office, aboard Air Force One, and into the front row of the movement's signature mega-rallies for the story of an epic election-year convergence of COVID, economic collapse, and civil rights upheaval--and an unorthodox president's attempt to battle it all. Fresh interviews with Trump, key campaign advisers, and senior administration officials are paired with an exclusive collection of internal campaign memos, emails, and text messages for scores of never-before-reported details about the campaign. DID WIN THIS ELECTION is the inside story of how Trump lost, and the definitive account of his final year in office that draws a straight line from the president's repeated insistence that he would never lose to the deadly storming of the U.S. Capitol that imperiled one of his most loyal lieutenants--his own vice president.

Through humor, whimsical story-telling and spiritual insight Joseph Fehlen shares his journey of becoming a motorcyclist at the age of 34. A riveting, deeply personal account of history in the making—from the president who inspired us to believe in the power of democracy #1 NEW YORK TIMES BESTSELLER • NAACP IMAGE AWARD NOMINEE • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • Jennifer Szalai, The New York Times • NPR • The Guardian • Marie Claire In the stirring, highly anticipated first volume of his presidential memoirs, Barack Obama tells the story of

his improbable odyssey from young man searching for his identity to leader of the free world, describing in strikingly personal detail both his political education and the landmark moments of the first term of his historic presidency—a time of dramatic transformation and turmoil. Obama takes readers on a compelling journey from his earliest political aspirations to the pivotal Iowa caucus victory that demonstrated the power of grassroots activism to the watershed night of November 4, 2008, when he was elected 44th president of the United States, becoming the first African American to hold the nation's highest office. Reflecting on the presidency, he offers a unique and thoughtful exploration of both the

awesome reach and the limits of presidential power, as well as singular insights into the dynamics of U.S. partisan politics and international diplomacy. Obama brings readers inside the Oval Office and the White House Situation Room, and to Moscow, Cairo, Beijing, and points beyond. We are privy to his thoughts as he assembles his cabinet, wrestles with a global financial crisis, takes the measure of Vladimir Putin, overcomes seemingly insurmountable odds to secure passage of the Affordable Care Act, clashes with generals about U.S. strategy in Afghanistan, tackles Wall Street reform, responds to the devastating Deepwater Horizon blowout, and authorizes Operation Neptune's Spear, which leads to the death of Osama bin Laden.

A Promised Land is extraordinarily intimate and introspective—the story of one man’s bet with history, the faith of a community organizer tested on the world stage. Obama is candid about the balancing act of running for office as a Black American, bearing the expectations of a generation buoyed by messages of “hope and change,” and meeting the moral challenges of high-stakes decision-making. He is frank about the forces that opposed him at home and abroad, open about how living in the White House affected his wife and daughters, and unafraid to reveal self-doubt and disappointment. Yet he never wavers from his belief that inside the great, ongoing American experiment, progress is always possible.
