Guidelines for Selecting a Social Collaboration Platform By David F. Carr Choosing the right software (or cloud service) will not guarantee the success of a social collaboration network, which depends as much or more on factors like leadership and community management. However, choosing the wrong platform certainly limits your chance of success.

Guidelines for Selecting a Social Collaboration ... - dummies

Social project collaboration puts the emphasis on integration with the social environment, providing a smooth transition from a social post (Hey, somebody ought to do this!) to creating a task (Good idea; you do it, and your deadline is Friday at 5 p.m.). Assigning a task becomes as simple as tagging someone in a post.
