Prepare your students to perform at their best with the latest streamlined and reorganized edition of this innovative managerial accounting text. Hansen/Mowen's MANAGERIAL ACCOUNTING, 8E reflects the latest developments in managerial accounting today with a strong decision-making approach that integrates unmatched coverage of contemporary topics, such as strategic cost analysis, ABC, and quality cost management, with traditional coverage of issues such as job order and process costing. Unique, full chapters on environmental accounting and lean accounting further highlight cutting-edge concepts. A wealth of actual business examples throughout this edition include more service-oriented situations to mirror the shift toward the service industry in the economy today. A new emphasis on ethics prepares students for CPA and CMA exams. You'll find more variety and stronger end-of-chapter problems and exercises that correspond directly to AACSB and CMA standards to ensure student understanding in these important areas. A new, outcomes-driven CengageNOW online teaching and learning system saves you time and offers the ultimate flexibility in planning, managing, and grading your course with personalized learning paths to ensure stronger student performance and ongoing satisfaction with your managerial accounting course.

Gain an understanding of the principles behind cost accounting and its importance in organizational decision making and business today with the unique, reader-friendly approach in Hansen/Mowen/Heitger's COST MANAGEMENT, 5E. This edition addresses functional-based cost and control and, then, activity-based cost systems - giving you the skills to navigate any cost management system. Updates address emerging developments, including the role of data analytics in cost management today. An entire new chapter also examines global issues, such as virtual currency and blockchain. This edition's extensively researched, proven approach is tailored to the way you learn. Structured examples from familiar companies emphasize the real-world applications and relevance of what you are learning. In addition, clear explanations review the concepts behind each equation or topic, detailing the hows, whys and what-ifs. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Discover the managerial accounting text written to complement the way you study and learn! CORNERSTONES OF MANAGERIAL ACCOUNTING, 3E, INTERNATIONAL EDITION uses a unique framework to show you the key concepts, or Cornerstones, of accounting. As you come to understand these fundamental calculations, you will develop critical problem-solving skills to make real business decisions.

Hansen/Mowen's CORNERSTONES OF COST MANAGEMENT, 4E demonstrates the dynamic nature of cost accounting in today's changing business environment. The book covers functional-based cost and control, and then activity-based cost systems, giving students the skills to manage any cost management system. Developed using extensive research on student learning behavior, this book presents concepts in a unique format that speaks to how students learn. Cornerstones examples in each chapter emphasize the How, Why, and What-If's of basic cost management concepts, while delving into the conceptual nature of each equation or topic. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The text is current, concise, and clearly written, with cases at the end of each chapter to illustrate the material.\* An interactive CD lets students test and expand their understanding with multiple-choice questions, key term matching exercises, demonstrations of various concepts and techniques, critical thinking exercise, interactive cases, and videos.\* A dynamic Web site provides test study guides, exercises, games, web testing, relevant articles, from The Wall Street Journal and other sources linked to the text, links to relevant web sites, additional cases, and other materials.

Managerial Accounting is characterised by a strong pedagogical framework and a dynamic and practical approach that directly demonstrates how students can develop their careers in real life. The text introduces students to the underlying concepts and applications of management accounting tools based on the traditional allocation approach and absorption costing method, and uses 'Staircase' exercises in each chapter to build knowledge and help learners to link the content between chapters as they progress through the book. This title uses easy-to-understand, student-friendly language, uncomplicated examples, a logical discussion of concepts that matches student learning processes, and clear visual explanations that support student understanding.
