### *Sour Sweet (1982) - Timothy MO | A Novel Approach*

Mo has a good sense of humor and a heart-warming way with characters. This tale of a Chinese family in England is at times a good series of lessons on Chinese culture. Somewhat clumsily (at times) juxtaposing triad gang strife with the struggle of a family to succeed, Mo weaves a story that is fun to read. Mo is a master craftsman of dialogue.

Sour Sweet is a less optimistic, more mature work than The Monkey King and remains for many the quintessential Mo novel, securing his reputation as a writer.
