In Abby Carter's everyday world, appearance is not reality. There are "black holes" in her All-American, small-town family. In these moments of no boundaries, Abby's body is the pawn and each violation is stored in a place that cannot be recalled. Not knowing the secrets held in the deep corners of her mind, Abby creates normal out of chaos. She doesn't understand what is driving her choices, but she will take you to the joy and nostalgia of childhood in the 1950's. She will grab your heart and turn yourworld upside down as you witness innocence celebrated and violated. "Spirit Unbroken" honors the wonder and beauty of resilient personal spirit. "Thrust from lascivious, cold power back into childhood, Abby warmed her innocence by being a good girl. She had a smile for everyone. She was helpful, kind, and responsible though she was never seeking approval. Her quest was reconciliation with her self. Abby was shaping her place in the world, not knowing what drove her choices." "Powerful and unsettling, this story held me captive." LM

In boyhood, Louis Zamperini was an incorrigible delinquent. As a teenager, he channeled his defiance into running, discovering a prodigious talent that had carried him to the Berlin Olympics. But when World War II began, the athlete became an airman, embarking on a journey that led to a doomed flight on a May afternoon in 1943. When his Army Air Forces bomber crashed into the Pacific Ocean, against all odds, Zamperini survived, adrift on a foundering life raft. Ahead of Zamperini lay thousands of miles of open ocean, leaping sharks, thirst and starvation, enemy aircraft, and, beyond, a trial even greater. Driven to the limits of endurance, Zamperini would answer desperation with ingenuity; suffering with hope, resolve, and humor; brutality with rebellion. His fate, whether triumph or tragedy, would be suspended on the fraying wire of his will. What happens after happily-ever-after fades? Can the answer be found one flight up? India, Abby, Esme, and Monique have all been friends since their days at Manhattan ' s Sibley School for Girls. From the outside, these four women—all grown up now—seem to be living ideal lives, yet each finds herself suddenly craving more. India Chumley is a whip-smart divorce lawyer who routinely declines the marriage proposals of her charming French boyfriend, Julien. She ' s taking the first plunge by moving in with him, but she ' s keeping her own apartment—and keeping it a secret from him. Abby Rosenfeld Adams is an irrepressibly upbeat gallery owner who married her WASP college sweet heart, a passionate but tormented sculptor. When she suspects he is cheating on her, she realizes that perhaps there ' s more to life than reassuring her husband of his artistic brilliance. Esme Sarmiento Talbot is a Colombian Scarlett O ' Hara, bored with her proper Connecticut life and her tame, all-American husband. In order to satisfy her sensuality, she escapes to Manhattan and distracts herself with casual encounters. A card-carrying member of Harlem ' s thriving buppies-ocracy and a successful gynecologist, Monique Dawkins-Dubois is married to a powerful but dull financier who barely notices her anymore. When an attractive coworker beckons, Monique can ' t help but be flattered. The most straitlaced of them all, India is dismayed by her friends ' illicit activities. That is, until her ex-fiancé , the love of her life and the destroyer of her heart, reappears in New York—and she finds herself caught between the dependable man she thought was her future and the man she never quite let go of. Dazzling and sexy, One Flight Up is an irresistible comedic romp through the boardrooms, bedrooms, and ballrooms of Manhattan and Paris.

With full-color illustrations, Adams re-creates nineteen folktales collected from around the world
