Tap the power of courage and achieve greater clarity, confidence, and satisfaction in your work and life Considering the current state of the global economy, it's easy to see why so many people and companies have become shy about sticking their necks out.

Tap the power of courage and achieve greater clarity, confidence, and satisfaction in your work and life Tap in to the inspirational motivation of best-selling author, life coach and media personality, Margie Warrell. Stop Playing Safe is a call to action for anyone who has ever felt that their work was not revealing their true potential for personal progression and career development. It will give you the conviction and courage to become bolder in your career, to perform better and enjoy your work more. Margie points out that 'fear' seems to be our new state of 'normal' as we deal with economic uncertainty, job insecurity and constant change management in the workplace. In times like these, all our instincts tell us to play safe and avoid risk. Yet courage and bold action are the keys to reaping the rewards of exceptional success in your career. Supported by case studies, insights and advice from a range of high-profile Australian and international entrepreneurs, Stop Playing Safe shares tactics you can put into practice to achieve personal fulfilment and professional success. It will help you clarify your career purpose and maximise your work value. It offers solutions for dealing with change management and will encourage you to pursue your career goals with renewed vigour and empowerment. Margie Warrell grew up on a dairy farm in rural Australia and has lived in the US She is the best-selling author of Find Your Courage and CEO of Global Courage Her clients include the United Nations Foundation, NASA, Ernst & Young, Bechtel, Best Buy, Accenture, AOL, Covidien, ADT, United Healthcare, and ExxonMobil You will keep coming back to this book as you move forward in your career, using it as a ready reference to progress through each stage and tackle each new challenge. "Adapting to change and taking chances are critical to your success. This book will help you with both. Get it, read it, enjoy the results." – Jon Gordon, author of The Energy Bus and The Seed. "Stop Playing Safe will help you harness the courage to take the risks that make sense and give you the success you want." - Randy Gage, Author of Risky Is the New Safe "Practical, powerful, and inspiring. In uncertain times, it's a guidebook you can't afford not to read as it spells out exactly how to handle your challenges and find the confidence to speak up, adapt and get ahead in the new economy. Everyone in your company should read it!" - Suzi Pomerantz, author, Mastercoach, and CEO of Innovative Leadership International. "Stop Playing Safe is one of those rare books that is at once original, inspirational, and above all, useful." - Bill Treasurer, President of Giant Leap Consulting and author, Courage Goes to Work. "Stop Playing Safe provides a roadmap to navigate uncertainty and find the courage to create meaningful changes in your workplace, career and life." - Rebecca Heino, Professor of Management, McDonough School of Business, Georgetown University "Margie Warrell provides powerful and practical advice for overcoming our innate fear of risk and vulnerability. It bears reading and re-reading for all who strive to become their best selves." - Dr Gordon Livingston, Author of Too Soon Old, Too Late Smart "Margie is a true expert on the science of success. Her new book is both inspiring and practical. It's a powerful manual for creating the life of your dreams." - Siimon Reynolds, author of Why People Fail

Have you ever looked back and wished you 'd been braver? Today 's culture of fear is constantly bombarding you with reasons to play it safe. Yet, is it keeping you living too safely, procrastinating and not taking the very actions that would help you enjoy greater self-confidence, professional success and personal fulfillment. If you ever hold back from making changes or taking chances, Stop Playing Safe is for you. In this fully updated 'post-pandemic' edition, Dr Margie Warrell challenges you to 'rethink risk' and back your boldest goals with braver action. Drawing on her diverse global experience working in coaching, psychology and with trailblazing leaders such as Richard Branson and Bill Marriott, this book will empower you to master fear and 'take the chance' when it matters most. Margie will get to the heart of what 's holding you back, giving you proven strategies to: find your 'Why' to do more of what ignites your passion (and less of what doesn't!) uncover your blind spots to make smarter decisions, faster apply four simple steps to build resilience and manage your 'stress triggers' activate 'post traumatic growth' to turn your toughest problems into your greatest growth nail difficult conversations to resolve conflict, build trust, and strengthen relationships be an inspiring leader who emboldens others to think bigger, learn faster, and accomplish more. Whether you 're a business owner, climbing the corporate ladder or embarking on an entrepreneurial endeavor, Stop Playing Safe is powerful reading for anyone who doesn 't want to settle for less than the biggest life they 're capable of living.

A masterclass to build self-trust, beat self-doubt and make your boldest aspirations a reality. Does fear hold you back? We all have moments when we succumb to doubt and let our fears call the shots. Each time they do, we limit our lives. It 's why learning to trust in ourselves is crucial to rising above our biggest challenges and enjoying true happiness and success — in our careers, relationships, leadership and life. Written with heart and humour but grounded in research, You 've Got This! is a handbook for unleashing our untapped potential and passion, creativity and courage, to thrive in today 's uncertain world. Filled with compelling stories and hard-won wisdom, author Margie

Live every day with greater clarity, confidence and courage. Brave is a handbook for being more courageous. Written for busy people on the go, its short, focused chapters provide practical tools and empowering perspectives to help you build your 'courage muscles' in your work, relationships and life. Drawing on her background in business, psychology and coaching, author Margie Warrell will guide you in moving past the fears, doubts and beliefs that keep you from making the changes, and taking the chances, you need to enjoy the fulfillment and success you desire. Courage is a habit. Practicing it daily, even in quiet small ways, unlocks new possibilities, creates new opportunities, grows your influence and enables you to meet your challenges with more resilience and self-assurance. So whether you're stuck in a rut, struggling in a relationship, overwhelmed by your daily juggling act or uninspired about your future, Brave will provide you with a regular dose of positive and practical inspiration to: Clarify what 'success' truly means to you, and be more purposeful in your daily efforts to achieve it Speak up with greater confidence, and be more assertive in dealing with difficult people, getting what you want and changing what you don't Define the person and leader you aspire to be, become more resilient under pressure, decisive in uncertainty and adaptable to change Scrap the excuses (your age, education, gender, busyness or children) that sabotage your future actions Dare more boldly, passionately pursuing the goals that inspire you most, no matter how daunting Courage begets courage. You build it every time you choose to leave the safety of your comfort zone for the sake of something more important. Day by day, brave action by brave action, you can Brave within you to create a life rich in all that you seek. If you want to live your life more powerfully and purposefully, this book will become your trusted companion.

THE NEW YORK TIMES BESTSELLER and #1 WALL STREET JOURNAL BESTSELLER Risky Is the New Safe is a different kind of book for a different kind of thinking—a thought-provoking manifesto for risk takers. It will challenge you to think laterally, question premises, and be a contrarian. Disruptive technology, accelerating speed of change and economic upheaval are changing the game. The same tired, old conventional thinking won ' t get you to success today. Risky Is the New Safe will change the way you look at everything! You ' ll view challenges—and the corresponding opportunities they provide—in entirely new and exciting ways. You ' ll recognize powerful new gateways to creating wealth. In this mind-bending book you ' ll discover: How mavericks like Steve Jobs, Richard Branson, and Mark Cuban think differently—and what you can learn from them; The six-month online course that could allow you to earn more than a Ph.D.; How social media changes branding and marketing forever, and what that means for you; What happens when holo-suites and virtual-reality sex come about, and how you need to prepare; The new religion of ideas: How to become an " idea generator " and declare as a free agent; and, What will cause the Euro, precious metals, and oceanfront real estate to collapse—and how that can make you rich!

"An up-front, to the point, and honest masterpiece. You can't go wrong with this one!" —Richard Carlson, bestselling author of Don't Sweat the Small Stuff . . . From popular life coach and motivational speaker Margie Warrell comes an inspiring, practical guide for finding the courage to change any--or every--aspect of your life. Warrell's "12 Acts of Courage" challenges you to rethink your "life scripts," overcome everyday fears, and dream bigger. Each chapter includes proven strategies and "Courage Exercises" to help you harness their inner strength and make meaningful changes in your personal and professional lives.

How the very things we create to protect ourselves, like money market funds or anti-lock brakes, end up being the biggest threats to our safety and wellbeing. We have learned a staggering amount about human nature and disaster -- yet we keep having car crashes, floods, and financial crises. Partly this is because the success we have at making life safer enables us to take bigger risks. As our cities, transport systems, and financial markets become more interconnected and complex, so does the potential for catastrophe. How do we stay safe? Should we? What if our attempts are exposing us even more to the very risks we are avoiding? Would acceptance of danger make us more secure? Is there such a thing as foolproof? In FOOLPROOF, Greg Ip presents a macro theory of human nature and disaster that explains how we can keep ourselves safe in our increasingly dangerous world.

#1 New York Times Bestseller " THIS. This is the right book for right now. Yes, learning requires focus. But, unlearning and relearning requires much more—it requires choosing courage over comfort. In Think Again, Adam Grant weaves together research and storytelling to help us build the intellectual and emotional muscle we need to stay curious enough about the world to actually change it. I ' ve never felt so hopeful about what I don ' t know. " —Brené Brown, Ph.D., #1 New York Times bestselling author of Dare to Lead The bestselling author of Give and Take and Originals examines the critical art of rethinking: learning to question your opinions and open other people's minds, which can position you for excellence at work and wisdom in life Intelligence is usually seen as the ability to think and learn, but in a rapidly changing world, there's another set of cognitive skills that might matter more: the ability to rethink and unlearn. In our daily lives, too many of us favor the comfort of conviction over the discomfort of doubt. We listen to opinions that make us feel good, instead of ideas that make us think hard. We see disagreement as a threat to our egos, rather than an opportunity to learn. We surround ourselves with people who agree with our conclusions, when we should be gravitating toward those who challenge our thought process. The result is that our beliefs get brittle long before our bones. We think too much like preachers defending our sacred beliefs, prosecutors proving the other

Download Free Stop Playing Safe Rethink Risk Unlock The Power Of Courage Achieve Outstanding Success

side wrong, and politicians campaigning for approval--and too little like scientists searching for truth. Intelligence is no cure, and it can even be a curse: being good at thinking can make us worse at rethinking. The brighter we are, the blinder to our own limitations we can become. Organizational psychologist Adam Grant is an expert on opening other people's minds--and our own. As Wharton's top-rated professor and the bestselling author of *Originals* and *Give and Take*, he makes it one of his guiding principles to argue like he's right but listen like he's wrong. With bold ideas and rigorous evidence, he investigates how we can embrace the joy of being wrong, bring nuance to charged conversations, and build schools, workplaces, and communities of lifelong learners. You'll learn how an international debate champion wins arguments, a Black musician persuades white supremacists to abandon hate, a vaccine whisperer convinces concerned parents to immunize their children, and Adam has coaxed Yankees fans to root for the Red Sox. *Think Again* reveals that we don't have to believe everything we think or internalize everything we feel. It's an invitation to let go of views that are no longer serving us well and prize mental flexibility over foolish consistency. If knowledge is power, knowing what we don't know is wisdom.
