450 Practice Problems and detailed solutions for the IC&RC Alcohol and Drug Counselor Exam. For use for the ADC and CASAC exams. Note this includes all 300 questions from the previous version

Alcohol and Drug Counselor Exam Practice Questions are the simplest way to prepare for the ADC test. Practice is an essential part of preparing for a test and improving a test taker's chance of success. The best way to practice taking a test is by going through lots of practice test questions. Our Alcohol and Drug Counselor Exam Practice Questions give you the opportunity to test your knowledge on a set of questions. You can know everything that is going to be covered on the test and it will not do you any good on test day if you have not had a chance to practice. Repetition is a key to success and using practice test questions allows you to reinforce your strengths and improve your weaknesses. Detailed answer explanations are also included for each question. It may sound obvious, but you have to know which questions you missed (and more importantly why you missed them) to be able to avoid making the same mistakes again when you take the real test. That's why our Alcohol and Drug Counselor Exam Practice Questions include answer keys with detailed answer explanations. These in-depth answer explanations will allow you to better understand any questions that were difficult for you or that you needed more help to understand.
