So, really, teaching our children wisdom is impossible for us. We aren't wise, and even if we were, they wouldn't want to listen. We are completely powerless.

Thankfully, God has acted to save us from our folly! The all-wise Father has sent his own beloved Son. He is the holy atoner who takes away the penalty of our criminally negligent folly.

Teaching Wisdom to Our Children - Part 4

Last week we began a special series about teaching wisdom to our children. Given the fact that knowledge currently “ doubles ” about every 12 months, our children will know more than any previous generation. However, another fact is that wisdom to use the growing volume of knowledge is diminishing rapidly.. King Solomon of Israel was the world ’ s wisest man.

and live out a real faith. The Raising Wise Children ebook explores such issues as:

- Helping your child make decisions
- The importance of failure
- Knowing God ' s story for your family
- Changing the story your family is in
- The pursuit of wisdom, and much more

God has placed us here to interact with and represent him to the world by engaging with the culture—not retreating from it. Rather than trying to isolate your children from the world or draw lines that keep them from truly engaging in the world God calls us to help and heal, you can learn how to lead your family towards an integrated life where your story and God ' s story come together to make a difference in the world around you.

Mothering is messy. Our joy and hope in raising children doesn't change the reality that being a mom can be frustrating, stressful, and tiring. But just as God is using us to shape our children, God is using our children and motherhood to shape us. In *The Better Mom*, author Ruth Schwenk, herself a mother of four children, encourages us with the good news that there is more to being a mom than the extremes of striving for perfection or simply embracing the mess. We don't need to settle for surviving our kids' childhood. We can grow through it. With refreshing and heartfelt honesty Ruth emboldens moms to: Find freedom and walk confidently in purpose Create a God-honoring

home environment Overcome unhealthy and destructive emotions such as anger, anxiety, and more Avoid glorifying the mess of mom-ing or idolizing perfection Cultivate life-giving friendships At the heart of The Better Mom is the message that Jesus calls us to live not a weary life, but a worthy life. We don ' t have to settle for either being apathetic or struggling to be perfect. Both visions of motherhood go too far. Ruth offers a better option. She says, " It ' s okay to come as we are, but what we ' re called to do and be is far too important to stay there! The way to becoming a better mom starts not with what we are doing, but with who God is inviting us to become."

Question: What do our kids need?

Answer: They need wisdom.

"Wisdom is supreme; therefore get wisdom." Proverbs 4:7 Designed for parents or teachers to use with children from K-5-through Grade 4, twenty-three lessons illustrate qualities of wisdom and godliness. Each lesson is presented in a simple format with illustrations to capture the attention of the child, and supplemented at the back of the book with suggestions for teaching the lesson. Every child of God - both adults and children - should work hard to show these traits more and more, because we love Jesus and want to be like him. That's easier said than done, isn't it? We struggle with sin every day, and we will fail. The lessons

Has anyone seen my time? I ' ve misplaced it. We have schedule planners, computerized calendars, smart phones, and sticky notes to help us organize our business and social lives every day. But what about organizing the other side of our lives?the spiritual side? One of the great battlegrounds is within the private world of the individual. The values of our Western culture would have us believe the busy, publicly active person in ministry is also the most spiritual. Tempted to give imbalanced attention to the public world at the expense of the private, we become involved in more programs, more meetings. Our massive responsibilities at
