In another historian's estimation, "The existence of the American Empire is an undeniable fact." As several others have affirmed, "an avalanche of scholarship [has] made clear the centrality of imperialism in American history ... all that remain[s] of the old view that the United States had not been an empire [is] smoldering rubble." This interpretation has become so strong, and its advocates so overbearing, that the time has come to ask whether the last words have indeed been ...

American Empire Project, The American Empire Project is a book series that deals with imperialist and exceptionalist tendencies in U.S. foreign policy in the early 21st century. American Empire style; American Empire, a fictional country in the world of Ghost in the Shell series; American Empire, a fictional country in the works of Chinese political theorists Zhao Tingyang and Qiao Liang; See also

American Empire - Wikipedia

American empire is seen in America as a moral crusade – “we bring peace and prosperity to the world!” But the world laughs at this kind of naivete – precisely because the reality is that America’s missiles and bombs have brought not just death and despair, but decades of the lack of progress the world should have rightly seen, wanted, and freely chose for itself, over and over again.
