An award-winning, unforgettable black book about colour, which shows you how to 'see' without your eyes. It can be hard for a sighted person to imagine what it is like to be blind. But in this breathtaking, ground-breaking and award-winning colour book, Menena Cottin and Rosana Faria try to convey the experience of a person who can see only through their sense of touch, taste, smell or hearing.

She decides to fight fire with fire by conning Steve into helping her get even with her dim-witted brother by using his black book which contains phone numbers of Eddie's previous girlfriends and invites them over on his birthday. When he and Greta arrived on his birthday party to see his ex-girlfriends, they are incensed by the whole thing.
