The present rendering, therefore, which is rather a modified form than a modernisation of Chaucer's tales, is believed to differ from all the aforesaid versions in method and, largely, in motive. For the form adopted is prose; it preserves, as closely as possible, the very words of Chaucer and his characteristic constructions; it aims by faithful accuracy to present a text which shall be efficient in promoting the study of the original.

~~The Canterbury Tales: Key Facts | SparkNotes~~

The Canterbury Tales is generally thought to have been incomplete at the end of Chaucer's life. In the General Prologue, some 30 pilgrims are introduced. According to the Prologue, Chaucer's intention was to write four stories from the perspective of each pilgrim, two each on the way to and from their ultimate destination, St. Thomas Becket's shrine (making for a total of about 120 stories).
