"Having been born a freeman, and for more than thirty years enjoyed the blessings of liberty in a free State—and having at the end of that time been kidnapped and sold into Slavery, where I remained, until happily rescued in the month of January, 1853, after a bondage of twelve years—it has been suggested that an account of my life and fortunes would not be uninteresting to the public." -an excerpt

Three teenage boys, the sole survivors of a shipwreck, find themselves marooned on a deserted island in the South Pacific. With little more than a telescope and a broken knife, the youths must find food and shelter and learn to survive. But though the coral island is a tropical paradise, full of natural beauty and exotic fruits and wildlife, dangers and adventures abound: sharks, pirates, and even bloodthirsty cannibals! Scottish-born R.M. Ballantyne (1825-1894) wrote more than ninety books for young people during the Victorian era, the most famous of which is *The Coral Island* (1857), a tale whose popularity has proved so enduring that it has never been out of print. A thrilling story in the tradition of *Robinson Crusoe* and a key influence on later classics such as *Robert Louis Stevenson's Treasure Island* and *William Golding's Lord of the Flies*, *The Coral Island* is presented here in a new scholarly edition that includes the unabridged text of the first British edition, a new introduction and notes by Ralph Crane and Lisa Fletcher, and the original illustrations by the author.

In an age of skepticism and disenchantment, people long for something that satisfies our mind's search for truth and our heart's desire for beauty and meaning. *Stand Firm: Apologetics and the Brilliance of the Gospel* argues that the gospel satisfies both of these needs. It is true and rational, but it is also inherently attractive and provides meaning and purpose. In short, the gospel is brilliant. It is brilliant, in one sense, because of the broad variety of evidences for its truth. But it is also brilliant given its beauty, goodness and the meaningful life it offers. The book provides up to date responses to questions about the existence of God, the reliability of the Bible, Jesus and the resurrection, and the problem of evil. It also treats unique topics such as understanding truth, knowledge and faith, the claims of alternate faiths, religious disagreement, etc. Each chapter attempts to connect these considerations with the gospel so that we may stand firm in our faith.

In the great Midwest midst a beautiful scene, we two women, mother and daughter, wrote a series of childrenas books for the enjoyment of our own children and grandchildren. Intrigued with a vegetable theme doll, we came up with our own vegetable storyline. Jelly Bean, brother Jack, mom Nelly and father, Mayor Green Bean, who live in Boomtown Bean, became our main characters. We have written our first book entitled *Introducing Jelly Bean*. There are many more books to come, each featuring a family member or a character from Boomtown Bean and their fun adventures. All our characters are lively and fun loving. Our storyline is about a wholesome way of life. Upon publishing our first book and introducing our main character Jelly, we believe that children will enjoy reading about her and everyone in Boomtown Bean. We, the authors, have had a ball and often chuckle while reading our own creations.

Music from this wonderful movie includes: As Time Goes By \* Back in the Saddle Again \* Bye Bye Blackbird \* A Kiss to Build a Dream On \* Make Someone Happy \* Makin' Whoopee \* Stand by Your Man \* Stardust \* When I Fall in Love \* A Wink and a Smile.
