The Change Leader's Roadmap: How to Navigate Your . . .

The Change Leader's Roadmap (CLR) is a change process methodology, providing strategic guidance and change tools to leaders and consultants designing and implementing change of any size or type. Using the CLR is like having a navigation system that helps you find your way through the human and process complexities of organization transformation. You can apply the CLR to technology implementations (SAP, CRM, ERP, etc.), restructuring, innovation, culture change, mergers and acquisitions, . . .
