The Druid Renaissance. The Druid tradition lies at the
heart of Western spirituality and today it is
experiencing a renaissance unprecedented in its long
history. The Druids, like the Native Americans and
Aborigines, revere and respect the earth. They see
Nature as their teacher and mother.

Since the 1980s the image of the Druid has become a rallying-point for large numbers of British people who seek a sense of reunion with the natural world and with the ancient people of these islands. It can act as an antidote to the twin prevailing modern deprivations of feeling cut off from nature and from the past.

The renaissance was inspired by the nationalistic pride of the Gaelic revival (q.v.); by the retelling of ancient heroic legends in books such as the History of Ireland (1880) by Standish O'Grady and A Literary History of Ireland (1899) by Douglas Hyde; and by the Gaelic League, which was formed in 1893 to revive the Irish language and culture. The early leaders of the renaissance wrote rich and passionate verse, filled with the grandeur of Ireland's past and the music and mysticism of ...
