My eyes move to the stars and my laughter dies. All those millions of stars, each one a tiny beacon of brightness against the oppressive night. A wave of hope fills me. How do you fight the darkness? You refuse to let it snuff out your light. I let the wind carry me away, knowing it¶ll eventually deposit me where I need to go.

¶And mountains may rise and fall, and the sun might wither away, and the sea claim the land and swallow the sky. But you will always be mine. And the stars might fall from the heavens, and night might cloak the earth, but until darkness dies, I will always be yours.¶ ¶ Laura Thalassa, The Emperor of Evening Stars

Read The Emperor of Evening Stars (The Bargainer Book 3) PDF

In the beginning, there was darkness. Before he met Callie, before he became the Bargainer, there was Desmond Flynn, the bastard son of a scribe. A boy born to a weak mother, cursed with little magic, and destined to marry a slave. But fate had something else in mind. Till darkness dies. From the barren caves of Arestys to the palace of Somnia to the streets of earth, this is how Desmond Flynn, a fairy who began with nothing, became the Emperor of Evening Stars. ***This is a roughly 200 page novella told from Desmond Flynn's perspective.***

The story of how a Fae King meets his soulmate in this alternate POV novella from bestselling author Laura Thalassa.

This is the complete Bargainer series, and it includes the books Rhapsodic, A Strange Hymn, The Emperor of Evening Stars, and Dark Harmony within it.Callypso Lillis is a siren with a very big problem, one that stretches up her arm and far into her past. For the last seven years she's been collecting a bracelet of black beads up her wrist, magical IOUs for favors she's received. Only death or repayment will fulfill the obligations. Only then will the beads disappear.Everyone knows that if you need a favor, you go to the Bargainer to make it happen. He's a man who can get you anything you want ... at a price. And everyone knows that sooner or later he always collects. So when Callie finds the fae king of the night in her room, a grin on his lips and a twinkle in his eye, she knows he's finally here to collect. At first, all he asks for is a chaste kiss-a single bead's worth-and a promise for more. But Callie has a wrist full of debt, and the Bargainer has many, many demands.

There are worse things than death. Things that lurk in the shadows and slip into your dreams. Things that have no business existing. Things that once slept ... but have now awoken. For Callypso Lillis, the fae magic that now runs through her veins is equal parts curse and good fortune. For the very thing that bonds her to Desmond Flynn, the King of the Night, also makes her vulnerable to the Thief of Souls, a man who wants to break the world ... and Callie along with it. But it's not just the Thief whose shadow looms over the Otherworld. Des's father is back from the dead, and he wants revenge on the son who sent him to the grave in the first place. Des and Callie must figure out how to stop both men, and time is running out. Because there are forces at play working to tear the lovers apart once and for all ... and unfortunately for them, death is no longer the worst thing to fear.

A siren is reunited with her former flame - a Fae King - as they try and save his kingdom from an evil force who has also been keeping them from their happy ending.

A siren is reunited with her former flame-the Fae King-as they try and save his kingdom from an evil force who has also been keeping them from their happy ending

From the bestselling, award-winning author of The Buddha in the Attic, this commanding debut novel paints a portrait of the Japanese incarceration camps that is both a haunting evocation of a family in wartime and a resonant lesson for our times. On a sunny day in Berkeley, California, in 1942, a woman sees a sign in a post office window, returns to her home, and matter-of-factly begins to pack her family's possessions. Like thousands of other Japanese Americans they have been reclassified, virtually overnight, as enemy aliens and are about to be uprooted from their home and sent to a dusty incarceration camp in the Utah desert. In this lean and devastatingly evocative first novel, Julie Otsuka tells their story from five flawlessly realized points of view and conveys the exact emotional texture of their experience: the thin-walled barracks and barbed-wire fences, the omnipresent fear and loneliness, the unheralded feats of heroism. When the Emperor Was Divine is a work of enormous power that makes a shameful episode of our history as immediate as today's headlines. Don¶t miss Julie Otsuka¶s new novel, The Swimmers, coming in February 2022!

¶Evocative¶The Emperor of Shoes underscores the extent to which the promise of economic opportunity still moves people across great distances on our planet¶Wise [has] written a novel of our times¶¶¶New York Times Book Review "A Library Journal Best Debut of Summer 2018" From an exciting new voice in literary fiction, a transfixing story about an expatriate in southern China and his burgeoning relationship with a seamstress intent on inspiring dramatic political change Alex Cohen, a twenty-six-year-old Jewish Bostonian, is living in southern China, where his father runs their family-owned shoe factory. Alex reluctantly assumes the helm of the company, but as he explores the plant¶s vast floors and assembly lines, he comes to a grim realization: employees are exploited, regulatory systems are corrupt and Alex¶s own father is engaging in bribes to protect the bottom line. When Alex meets a seamstress named Ivy, his sympathies begin to shift. She is an embedded organizer of a pro-democratic Chinese party, secretly sowing dissonance among her fellow laborers. Will Alex remain loyal to his father and his heritage? Or will the sparks of revolution ignite? Deftly plotted and vibrantly drawn, The Emperor of Shoes is a timely meditation on idealism, ambition, father-son rivalry and cultural revolution, set against a vivid backdrop of social and technological change.

After the death of his father, the flamboyant and controversial Judge Oliver Garland, Talcott must unravel the truth about his father's life, a quest that brings him face to face with old scandals and family secrets.

The children of an assassinated emperor try to stay alive and avenge their father's death while continuing down their individual life-paths, one in a monastery, another training with elite soldiers, and one appointed a minister determined to prove herself to her people.
