When doing business abroad, it is advisable to know the main rules of international etiquette. The culture and tradition of each country make people behave differently, and if the business executive does not know how to adapt to that behavior, it can provoke a rejection from the other party, which makes it more difficult or even endangers the success of negotiations.

From Toronto to Thailand--a comprehensive guide to mastering the customs and nuances of cross-cultural business communication.

Recommended by The New York Times! Etiquette is one of the most valuable assets a person can have: knowing how best to present yourself, and how to deal with others in a direct, effective manner, is paramount in all personal, professional, and social relationships. *Manners That Matter Most* seeks to resurrect the bygone customs of good manners and graceful style; all while updating and applying them to the modern age. Covering topics from introductions, greetings and thank-you's, to the etiquette of modern technology (including appropriate places and times to call and text), *Manners That Matter Most* is a valuable resource and a much-needed guide in our fast-paced world. Suitable for all readers in all social situations, *Manners That Matter Most* contains both the information and the support you need to gain and give more consideration in your social encounters. With an emphasis on graciousness and chivalry that lends the book its authoritative tone, *Manners That Matter Most* is the essential companion for anyone looking to put their best foot forward in any situation. *Manners That Matter Most* also includes: * Inspirational quotes on the importance of courtesy, respect and dignity * The 25 essential lessons everyone should learn to cultivate better manners * Tips for more effective communication with family, friends and co-workers *Manners That Matter Most* takes an old subject and presents it in a fresh and accessible way, as it reminds us why good practice in etiquette not only makes the practitioner look good, but enhances society as a whole. With *Manners That Matter Most*, the world opens up—and you know just what to say. From the

Farewell to faux pas! Minding your manners is an acquired skill, but what serves you well elsewhere could trip you up in Japan. Save yourself possible embarrassment with Etiquette Guide to Japan. An inside look at Japanese social graces, it answers all the questions of the thoughtful traveler. Extensive, specific information on Japanese business etiquette assists readers traveling to Japan for business. Although often overshadowed by a modern facade, long-standing traditional aspects of Japan's culture still influence the country and almost everyone in it. Concrete evidence of this traditional culture can be seen everywhere—in the ancient arts and crafts that are still important parts of everyday life, in the many shrines and temples that dot the nation, and in the modern comeback of traditional fashions such as kimono and yakata robes. To many Western visitors, however, the most obvious example of this traditional culture's strength is the unique etiquette of the Japanese. Like many nations, Japan has experienced vast political, social, and economic change over the past century. But enough of Japan's traditional etiquette remains to set the Japanese apart socially and psychologically, and to make success in socializing and doing business with them a special challenge for Westerners. About this new version: This updated and expanded edition of the best-selling Japanese etiquette guide addresses not just the puzzling protocols relating to name cards, bowing or shaking hands, bathrooms and public baths—but also what to do when entertaining Japanese dinner guests, attending a Japanese tea ceremony, taking the subway, and much more! It also provides the latest etiquette in mobile phone manners, texting, social media and other forms of digital communication. The glossary at the back of the book has been revised to include the latest technology-related words and expressions used by Japanese today. Two new chapters address the changing role of foreigners in the workplace and the contemporary business style and etiquette used by the younger generation of Japanese who are now increasingly cosmopolitan—but still very Japanese!
