warns him of the danger everywhere. But Little Fox still frolics with butterflies, scavenges for food, and searches for new friends. Then one day he takes a tumble, bumps his head, and starts dreaming of things that reflect both the beauty he ' s seen and the scary things he's heard. Marije Tolman's ingenious illustrations use a fresh technique that feels like a movie and a dream, starring the cheerful, bright orange Little Fox on grainy mixed media landscapes of blue and green. And when Little Fox wakes up, he's perhaps a little wiser, but still every bit as curious and full of life. Praise for Little Fox "A beautiful, fully realized dreamscape. A tender, brilliant tour de force from the

Netherlands."—Kirkus Reviews,
starred review

A little fox discovers the wonders of the world around him in this exuberant picture book that celebrates the seasons and the relationship between a parent and child. When Mama Fox tells her new baby that it ' s time to go outside for the first time, he isn ' t so sure. So Mama promises to stay by his side as they tumble through Little Fox ' s first year of life, a year spent splashing in puddles, trying new foods, leaping in leaves, and snuggling in snow. And then, before long, Little Fox is all grown up. But is he ready to go off on his own? With sweet rhyming text and vibrant illustrations, Rick Chrustowski tells a tender story of

parent-child love and how wonderful—and wistful—it feels when a little one leaves the nest.

"Learn about foxes as you follow a day in the life of a little kit"--page [4] of cover.

"A wordless picture book in which two friends follow a young fox deep into the woods and discover a wondrous and magical world"--

Little Fox tells her mother all the frightening things she will see and do when she travels to the end of the world.

it can ' t always be playtime! Little Squirrel also has to help his family get ready for the winter. Printed in Germany on 100% recycled paper using eco-friendly inks, each title in the All Natural series features a young critter out and about in the natural world. Little readers will appreciate the simplicity of the story and the eye-catching illustrations. Perfect for bedtime reading and encouraging conversations about your bookworms ' own little world.

BEWARE! This is a tale of great caution, terror, and destruction . . . of bath time, and bedtime, and the battle in between. This is the story of Little Fox and one VERY BIG imagination. Debut author Jorma Taccone, member of the hit

comedy trio The Lonely Island, has paired up with New York Times – bestselling, Caldecott Medal – winning illustrator Dan Santat to create Little Fox and the Wild Imagination, a picture book about time, space, and even giant-robot-squids.

'Violette Leduc's novels are works of genius and also a bit peculiar' Deborah Levy, from the introduction An old woman lives alone in a tiny attic flat in Paris, counting out coffee beans every morning beneath the roar of the overhead metro. Starving, she spends her days walking around the city, each step a bid for recognition of her own existence. She rides crowded metro carriages to feel the warmth of other bodies,

and watches the hot batter of pancakes drip from the hands of street-sellers. One morning she awakes with an urgent need to taste an orange; but when she rummages in the bins she finds instead a discarded fox fur scarf. The little fox fur becomes the key to her salvation, the friend who changes her lonely existence into a playful world of her own invention. The Lady and the Little Fox Fur is a stunning portrait of Paris, of the invisibility we all feel in a big city, and ultimately of the hope and triumph of a woman who reclaims her place in the world. 'A moving, beautiful and authentic classic. We must be grateful to the Penguin European Writers series, a precious venture in these dark times, for bringing it back to us.'
