SS United States is a retired ocean liner built in 1950–51 for the United States Lines at a cost of \$79.4 million. The ship is the largest ocean liner constructed entirely in the United States and the fastest ocean liner to cross the Atlantic in either direction, retaining the Blue Riband for the highest average speed since her maiden voyage in 1952. She was designed by American naval architect William Francis Gibbs and could be converted into a troopship if required by the Navy in time of ...

United States, 277 U.S. 438 (1928), was a decision of the Supreme Court of the United States, in which the Court reviewed whether the use of wiretapped private telephone conversations, obtained by federal agents without judicial approval and subsequently used as evidence, constituted a violation of the defendant's rights provided by the Fourth and Fifth Amendments. In a 5–4 decision, the Court held that neither the Fourth Amendment nor the Fifth Amendment rights of the defendant were ...

~~Olmstead v. United States—Wikipedia~~

The United States of America, or United States, simply known as America, the US or the USA, is a federation in North America consisting of fifty states and several overseas territories (in both the continents of North America and Oceania). Thomas visited this country a few times in Really Useful Around the World, and later in Big World! Big Adventures!, including the San Francisco Bay Railroad.
