Alex Grey's reflections combine his extensive knowledge of art history and his own first-hand experiences in creating art on the boundaries of consciousness. Included are practical techniques and exercises that can be used to explore the spiritual dimension of art.

The Mission of Art book by Alex Grey - ThriftBooks

The artist's mission is to make the soul perceptible. Our scientific, materialist culture trains us to develop the eyes of outer perception. Visionary art encourages the development of our inner sight. To find the visionary realm, we use the intuitive inner eye: The eye of contemplation; the eye of the soul.

What is Visionary Art? | Alex Grey

His inspirational book, The Mission of Art, traces the evolution of human consciousness through art history, exploring the role of an artist's intention and conscience, and reflecting on the creative process as a spiritual path. Transfigurations, Alex's second monograph, contains over 300 color and black & white plates of his artwork.
