The Psychology Of Superheroes An Unauthorized Exploration ...  
Robin Rosenberg grew up with superhero comics. Later she shared them with her children, and after becoming a clinical psychologist, she studied them through the lens of psychology and discovered that " superhero stories are about morality and loyalty, about self-doubt and conviction of beliefs. I also saw that, like any good fiction, the sagas of superheroes bring us out of ourselves and connect us with something larger than ourselves, something more universal. "
