The Samaritan Pentateuch, also known as the Samaritan Torah, is a text of the first five books of the Hebrew Bible, written in the Samaritan alphabet and used as scripture by the Samaritans. It constitutes their entire biblical canon. Some six thousand differences exist between the Samaritan and the Masoretic Text. Most are minor variations in the spelling of words or grammatical constructions, but others involve significant semantic changes, such as the uniquely Samaritan commandment to construe

Samaritans likely took place when John Hyrcanus destroyed the Samaritan Temple on Mt. Gerizim in 111 – 110 BC (cf. Jn. 4:9). It is not my goal in this article to advocate or critique views on the history of the Samaritans. 6 Despite its many updates and changes, “ The Samaritan Pentateuch is thus a strong witness to the antiquity and purity of the

Samaritan Pentateuch, Overview. This landmark volume presents the first-ever English translation of the ancient Israelite Samaritan version of the Pentateuch, or Torah. A text of growing interest and importance in the field of biblical studies, the Samaritan Pentateuch preserves a version of the Hebrew text distinct from the traditional Masoretic Text that underlies modern Bible translations.

The Israelite Samaritan Version of the Torah: First ... The Samaritan Pentateuch (SP) represents one textual tradition (in scholarly terms, a “ recension ”) that descends from an ancient and influential form of the five Books of Moses. Other ancient textual traditions include an early form of the Masoretic Text, the Septuagint, and other forms that are harder to classify.

The reader on opening one of the codices of the Samaritan Pentateuch recognizes at once the difference of the writing from the characters in an ordinary Hebrew Bible. The Jews admit that the character in which the Samaritan Pentateuch is written is older than their square character. It is said in the Talmud (Sanhedrin 21b):

Pentateuch, The Samaritan Definition and Meaning - Bible ...

Samaritan Pentateuch, [E] a recension of the commonly received Hebrew text of the Mosaic law, in use among the Samaritans, and written in the ancient Hebrew or so-called Samaritan character. SP as well as reference in Qumran scroll studies to the SP or an SP-like tradition in an effort to describe some of the textual evidence present in the scrolls. This volume presents a general introduction to and overview of the SP, suitable for a course text and as a reference tool for the professional scholar.

From the introductory. For several years prior to my tour of Palestine in 1902, I had noted with interest the accounts, in books on biblical antiquities, of the Holy Scroll at Nablus. This manuscript, containing the Pentateuch, is believed to be the oldest manuscript in existence of any portion of the Bible. As the priests show it with great reluctance, and are supposed to exhibit it, even to their own people, only once a year, on the Day of Atonement, I was anxious that they should not substitute for it, at the time of my visit, the more recent parchment which on ordinary occasions they display. My friend, Mr. E. K. Warren, chairman of the World's Sunday-school Convention Committee of Arrangements, had visited Palestine the year before, and had seen the ancient scroll. He gave me a letter of introduction to the High Priest, written on his business letter-head, which rather formidable-looking document I found of service on --- my arrival in Nablus....

Authoritative introduction to the Samaritan tradition from antiquity to the present. Most people associate the term "Samaritan" exclusively with the New Testament stories about the Good Samaritan and the Samaritan woman at Jacob's well. Very few are aware that a small community of about 750 Samaritans still lives today in Palestine and Israel; they view themselves as the true Israelites, having resided in their birthplace for thousands of years and preserving unchanged the revelation given to Moses in the Torah. Reinhard Pummer, one of the world's foremost experts on Samaritanism, offers in this book a comprehensive introduction to the people identified as Samaritans in both biblical and nonbiblical sources. Besides analyzing the literary, epigraphic, and archaeological sources, he examines the Samaritans' history, their geographical distribution, their version of the Pentateuch, their rituals and customs, and their situation today. There is no better book available on the subject.

This edition of MS London BL OR7562 and other related Mss., and the accompanying linguistic and philological study, discuss a Samaritan adaptation of Saadya 's Judeo-Arabic translation of the Pentateuch, its main characteristics and place among other early Medieval Arabic Bible translations.
