Shape of Water wants us to be titillated by Elisa's sexual tension with the fish-man, but let's call their relationship what it truly is: beastiality. The mistreatment of this cat's death only...

'The Shape of Water' Exposes a Disturbing Trend in Genre ...

Guillermo del Toro's new film has been described as a fantasy, a drama and even science fiction, but while The Shape of Water is arguably all of these things, first and foremost it is a story about forbidden love and the loneliness that can result. The relationship that develops between Sally Hawkins' female lead, Elisa, and the amphibious creature held captive at the hands of the U.S. government is so touching that any thoughts of its inter-species nature simply melt away.
