The Real Little Ultimate Broadway Fake Book: Hal Leonard ...

A fake book is a collection of musical lead sheets intended to help a performer quickly learn new songs. Each song in a fake book contains the melody line, basic chords, and lyrics - the minimal information needed by a musician to make an impromptu arrangement of a song, or "fake it." The fake book is a central part of the culture of playing music in public, particularly in jazz, where improvisation is particularly valued.

The Ultimate Broadway Fake Book (Songbook) eBook by Hal ...  
This book has some interesting good and bad points. First, the good: It's a fake book in the Hal Leonard style, in original keys, of a wide selection of the best known Broadway songs. Lots of good stuff. And unlike The Ultimate Fake Book (which is great for other reasons), the songs are conveniently organized by Show rather than by Title.
