The Wall Chart World History

This wall chart folds up so that it can be read as a (large) book on your lap. However you read it, it is absolutely crammed with historical facts from all the major civilisations around the world. Because it sets them out chronologically, you can easily see, for example, what was happening in Germany, France, China, Italy, Egypt, etc when Henry VIII was on the throne.

The Wall Chart of World History: With Maps of the World's ...

Adams Synchronological Chart or Map of History, originally published as Chronological Chart of Ancient, Modern and Biblical History is a synchronological wallchart and timeline that graphically depicts the history of mankind from 4004 BC, the biblical beginning of man, to modern times. The chart is based on the Bible, thus a chronological history of the Bible is presented on its first pages, that eventually merges with secular history on the pages following. The original version by Presbyterian
