The World and Other Places is a collection of short stories by Jeanette Winterson O.B.E in the style of postmodernism. Some of the contained short stories have been previously published in well known publications, such as The New Yorker. Winterson, like other postmodernists, plays with her words so they carry multiple layers and interpretation.

The World and Other Places - Wikipedia

The World & Other Places. In Jeanette Winterson's first collection of short stories, we are confronted with characters so at odds with themselves and the world—whether our own, familiar world or one of the author’s invention—that it is difficult to truly empathize with any of them. The first story, The 24 Hour Dog, is a lullaby of a tale compared to those that follow, yet still manages to leave behind the disconcerting notion that a human being who cannot even take responsibility for ...

The World & Other Places - Jeanette Winterson

The World and Other Places is a collection of short stories that aren't stories, that are self-indulgent, that rarely venture into full-fleshed or intere It's too much first person. It's trying to be Steven Millhauser and absolutely failing.
