Absurd Person Singular is a 1972 play by Alan Ayckbourn. Divided into three acts, it documents the changing fortunes of three married couples. Each act takes place at a Christmas celebration at one of the couples' homes on successive Christmas Eves.

*Absurd Person Singular - Wikipedia*  
This book is simply three of Ayckbourn's better known plays - essentially the scripts for each of them. In Absurd Person Singular, the play unfolds over three successive Christmases in the kitchens of three couples; a young couple with a philandering husband, an older middle class gent and his wife, and then the well meaning but to the others awful up and coming property developer.

Absurd Person Singular is a three act play of which there are only two in the Ayckbourn canon (Surprises being the second). However, several early plays such as Family Circles and Season's Greetings were initially produced as three act plays, but were then later altered to two acts by the playwright.

Absurd Person Singular play is set during the early 1970s over three Christmases in the kitchens of three couples: Sidney Hopcroft, an ambitious tradesman, and his submissive wife Jane; architect and adulterer Geoffrey Jackson and his depressed wife, Eva; Ronald Brewster-Wright, a banker, and his alcoholic wife Marion. The three couples range from working to upper class.

Absurd Person Singular was the fifth of my plays to be performed in London's West End although, like its predecessors, it started life in Scarborough in a modest 250-seat theatre-in-the-round. The auditorium was a makeshift affair; borrowed seats on rickety rostra in a small airless room of the public library.

A scathing comedy of social striving in the suburbs, Absurd Person Singular follows the fortunes of three couples who turn up in each other's kitchens on three successive Christmases, to hilarious and devastating effect.

Funny, gripping and wrenchingly truthful, these three blackly comic plays slice into the soul of suburbia. Couples - often mismatched, sometimes disorientated - dominate the action. The settings are simple - a kitchen, a bedroom, a party - all familiar terrains where husbands and wives meet, bewildered, puzzled and angry. 'In the hilarious delineation of marital pain there is no one to touch Alan Ayckbourn' Eric Shorter in the Daily Telegraph.

Meet three couples in their three kitchens on the Christmas Eves of three successive years. The "lower class" but very much up and coming Hopcrofts are in their bright new, gadget filled kitchen anxiously giving a little party for their bank manager and his wife and an architect neighbor. Next there are the architect and his wife in their neglected, untidy flat. Then the bank manager and his wife are in their large, slightly modernized, old Victorian style kitchen. Running like a dark thread through the wild comedy of behind the scenes disasters at Christmas parties is the story of the advance of the Hopcrofts to material prosperity and independence and the decline of the others. In the final stages the little man is well and truly on top, with the others, literally and unneringly, dancing to his tune.

In this third volume of his collected plays, Alan Ayckbourn takes his signature acerbic wit into the territory of the lonely and isolated, focusing on everyone from the fantastically famous to the lowliest of Eleanor Rigbys. Collected here are Haunting Julia, Sugar Daddies, Drowning on Dry Land, and the universally acclaimed Private Fears in Public Places, described by Newsday's Linda Winer as "an exquisitely modulated chamber sextet about the unpredictable depths and overlapping absurdities of middleage melancholy."

"In this play, Annie has arranged to spend an illicit weekend with her sister Ruth's husband Norman, and for this reason, suitably disguised, has asked her elder brother Reg and his wife Sarah to look after their widowed mother and the house. As it happens the seduction, thought or planned, by each of the six characters never takes place either"--Publisher's website.

How Ms Poopyay Dayseer, a twenty-first century Specialist Sexual Consultant, whilst peddling her 'services' to an elderly hotel room client unexpectedly finds herself running for her life. How her flight through a communicating door brings her face to face with her own past and with Ruella who apparently died under suspicious circumstances twenty years earlier. And how Poopyay's gradual friendship with that remarkable woman changes the future for both of them... A time-travelling comedy thriller, Communicating Doors was published to coincide with the West End opening in 1995.

In two plays, a man and his daughter seem to meet each other for the first time when they are united after twenty years, and while traveling by car a father relates a mythical tale to his child

Fred is waiting for the show to start. The Players arrive: Nell, Bethany, Talitha, Jenkin, Albert and a strange mechanized creature, Kevin on Keyboards. They tell Fred that they are slaves of the Storytellers who control their every move. Once they had a champion, Flavius, who nearly managed to wrest storytelling control back into their hands where it belongs. The Storytellers arrive: Great Aunt Repetius, Uncle Erraticus and Uncle Oblivious. The Players react fearfully and the stories begin.—4 women, 7 men

This book focuses exclusively on the exciting and provocative plays produced in England in the last two decades. The primary aim of the collection is to celebrate the truly remarkable range of British drama since 1970, by examining the work of fourteen important and representative playwrights. This emphasis on range applies not only to the dramatists chosen for inclusion but to the critics as well - specifically to the diversity of critical methodology demonstrated in their essays.
